Web Page Summary of the ASSESSMENT PLAN 2016

The accrediting agency, Transnational Association of Christian Colleges and Schools (TRACS) requires the Institution to publish an annual Assessment Plan, in order to evaluate the performance outcomes of the Institution, with regards to programs, operations and personnel. Listed below are some of the standards by which the Institution measures its outcomes for this assessment cycle.

<i>The Standard</i>	<i>Institutional Response</i>
Institution has developed and implemented a comprehensive Assessment Plan (AP)	Assessment Plan (AP) was approved at Board of Trustees (BOT) meeting on 24 October 2016.
The AP is in writing, and a summary is shared widely, and posted on the Institution's website.	AP is currently in electronic, matrix-style format. It is shared with Stakeholders at convened meetings, and the AP Summary is posted in the web site.
The Assessment Plan is annually reviewed and approved by the board	AP Review and Board Approved 24 October 2016
Assessment Plan contains a process for the evaluation of all policies on a regular basis.	AP includes the Institutional Assessment Cycle Review Schedule which stipulates a regular time in cycle, to measure or assess each applicable standard
Assessment Plan provides a procedure for evaluating, revising and approving all institutional publications.	AP includes the Institutional Assessment Cycle Review Schedule which stipulates a regular time in cycle, to measure or assess institutional publications.

Revision of the curriculum is based on assessment results.	Director of Institutional Planning and Assessment (DIPA) collects, analyzes and formats assessment results in clear manner and makes presentation to President, Board and Stakeholders
Institution provides an established process for the regular evaluation of all faculty.	The Faculty Handbook provides process to measure this standard. The evaluations are conducted annually, by the CAO and CFO.
Institution provides a systematic evaluation of whether the student learning and program outcomes are appropriate to its educational mission.	College and Seminary Deans conduct Curricular Review for this purpose
Institution utilizes the results of survey activities for financial planning.	The CFO performs analysis of annual findings in Report format.
Strategic Plan is approved and reviewed annually by the Board.	The Board receives the Strategic Plan from the DIPA for thorough review and annual approval. Most recent approval 24 October 2016.
Strategic Plan is an integral part of the institution's on-going cycle of planning, budgeting and assessment.	The Strategic Plan plays a role in the institution's ongoing cycle of planning, budgeting and assessment.
