Letter from the President

Rev. Carl E. Keels, D. Min.

Matthew 28:19 – 20 provides us an imperative, indeed a command to, “Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and lo, I am with you always, even unto the end of the world. Amen.”

NAME & HISTORY

Name of the Institution

The name of the Bible College and Seminary was derived from the founding church, the Maple Springs Baptist Church, and then pastor, Rev. Dr. Chester Allan McDonald, Sr.

History of the Institution

Maple Springs Baptist Bible College and Seminary was founded in 1986 by Dr. C.A. McDonald, Sr., the pastor of the Maple Springs Baptist Church, to help provide trained personnel for the propagation of the Gospel. Dr. McDonald appointed Dr. Larry W. Jordan, the Minister of Education of the Maple Springs Baptist Church; to develop and implement the programs required to establish the Maple Springs Baptist Bible College and Seminary. Dr. Jordan designed and implemented the curriculum to prepare for the ministry those who have had no previous undergraduate training in the biblical area as well as those who have completed an undergraduate degree.

The Maple Springs Baptist Bible College and Seminary is an independent, fundamental, conservative, and for the most part, local church oriented Institution, meeting the need for leadership in an ever-changing society. The College and Seminary is Baptist, both in belief and practice. It is committed unreservedly to the verbal-plenary view of inspiration believing every Word of the Bible to be the inspired Word of God. We are committed to the defense and proclamation of the Scriptures, upon which all true education has its foundation.

On October 20, 1989, the Maryland State of Higher Education Commission authorized the Maple Springs Baptist Bible College and Seminary to grant the Associate in Arts Degree in Biblical Studies, the Bachelor of Arts Degree in Biblical Studies, the Master of Ministry, the Master of Arts in Biblical Studies, the Master of Arts in Church Administration, the Master of Arts in Christian Counseling, the Master of Divinity, the Master of Theology, the Doctor of Ministry and the Doctor of Theology.

MSBBC&S held its first annual graduation exercises May 25, 1990. It awarded five (5) Evangelical Training Association Adult Education certificates, one (1) bachelor’s degree, five (5) master degrees, and granted one (1) Honorary Doctor of Humanities degree.

On November 14, 1990, the Maple Springs Baptist Bible College and Seminary became an Adult Education member of the Evangelical Training Association. As such, the college and seminary is authorized to grant Evangelical Training Association certificates. The college and seminary offered three Evangelical Training Association certificates: (1) The Foundational Church Ministries Certificate, (2) The Standard Church Ministries Certificate, and (3) The Advanced Church Ministries Certificate; and three diplomas: (1) Associate Teachers Diploma, (2) Standard Teachers Diploma, and Graduate Teachers Diploma.

The Maple Springs Baptist Bible College and Seminary underwent an administrative re-organization effective January 13, 1991. Effective December 31, 1990, Dr. C.A. McDonald, Sr. resigned as President of the Maple Springs Baptist Bible College and Seminary to devote full time to the pastorate.

Dr. Larry W. Jordan was appointed interim President, Dr. Vivian E. Bess was appointed interim Vice President for Academic Affairs and Mrs. Jerrye B. Feliciana was appointed interim Vice President for Administration. On October 24, 1992, Dr. Larry W. Jordan became the second president of the Maple Springs Baptist Bible College and Seminary. Dr. Vivian E. Bess became Vice President for Academic Affairs and Dr. Jerrye B. Feliciana became Vice President for Administration.

On September 24, 1992, Maple Springs Baptist Bible College and Seminary was granted Associate Status with the Transnational Association of Christian Colleges and Schools (TRACS), a national accrediting agency recognized by the United States Department of Education. Associate status is designed for institutions wishing to be identified with TRACS based on meeting the requirements of BIBLICAL STANDARDS only, which meet the eligibility
requirements and submit a letter of intent as to its future with TRACS. The purpose of this level of recognition is to enable new and developing institutions to come under the guidance of TRACS with the goal of moving toward accredited affiliation as soon as possible and to provide a way for institutions which hold accredited status with nationally recognized accrediting agencies to identify and work with TRACS without seeking accredited level status.

On February 5, 1993, Maple Springs Baptist Bible College and Seminary became a corporation.

On March 20, 1993, the structure of MSBBC&S changed to two major divisions, Maple Springs Baptist Bible College and Maple Springs Baptist Bible Seminary, and an adult education division. In 1993, two Academic Deans were appointed; one for each of the two major divisions with the adult education component reporting directly to the Vice President for Academic Affairs. Dr. Sandra Shands-Strong was appointed Dean of the College and Dr. Emanuel D. Chatman was appointed Dean of the Seminary. All Evangelical Training Association programs were moved to the continuing education division.

Separate catalogs were developed for each division.

Maple Springs Baptist Bible and Seminary (MSBBCS) is an exempt religious school operating in the State of Maryland as specified in the Code of Maryland Regulations 13B.02.04. MSBBCS grants the following religious degrees: the Certificate in Biblical Studies, Associate of Arts in Biblical Studies, the Bachelor of Arts in Biblical Studies, the Bachelor of Arts in Biblical Studies with emphasis in Pastoral Ministries or Church Administration, the Master of Arts in Biblical Studies, the Master of Arts in Biblical Studies with emphasis in Old Testament or New Testament, the Master of Arts in Christian Counseling, the Master of Arts in Church Administration, the Master of Divinity with emphasis in Church Administration, Christian Counseling, New Testament or Old Testament, and the Doctor of Ministry with emphasis in Pastoral Ministries or Christian Counseling.

In 1994, MSBBC&S changed from a quarter to a semester system.

On February 23, 1995, the MSBBC&S was awarded Candidacy Status in the Transnational Association of Christian Colleges and Schools. That meant that Maple Springs Baptist Bible College and Seminary became a candidate for accreditation with TRACS, which indicates that an institution has achieved initial recognition and is progressing toward, but is not assured of, accreditation. It has provided evidence of sound planning and the resources to implement its plans and appears to have the potential for attaining its goals within a reasonable time.

On September 20, 2000, the Maple Springs Baptist Bible College and Seminary was accredited by the Transnational Association of Christian Colleges and Schools (TRACS) as a category IV institution. The Transnational Association of Christian Colleges and Schools is listed in the United States Department of Education as a nationally recognized institutional accrediting agency serving Christian undergraduate and graduate institutions of higher learning.

On November 8, 2004, the Maple Springs Baptist Bible College and Seminary received reaffirmation from TRACS as a Category IV institution. TRACS offices are located in Forest, Virginia, and may be contacted by writing to TRACS, PO Box 3281, Forest Virginia 24551 or by calling (434) 525-9539 or fax at (434) 525-9538.

October 23, 2010, Dr. Anthony Moore became Board of Trustees Chair. Other new members added to the Board since 2010 are: Rogers Davis, James Williams, Pamela Newton, and Terrell Sheppard were added in 2011. Anna Mosby and Dorothy Bailey were removed from the Board.

December 8, 2011, Dr. Rogers Davis became the Interim Board Chair.

Effective in the Fall 2011 Semester, the Seminary removes the Masters of Religious Education (MRE) Degree from its Graduate offerings, and from all printed materials.

December 2012, MSBBC&S began the process of meeting & exceeding the necessary requirements for Reaffirmation II Status with the TRACS Accreditation Commission. MSBBC&S prepared to host the TRACS commission within the year 2013, with implemented plans to aggressively seek & complete Reaffirmation II Status.

April 29, 2014, the TRACS Accreditation Commission voted to grant Maple Springs Baptist Bible College & Seminary Reaffirmation II Status as a Category IV Institution. MISSION STATEMENT

Maple Springs Baptist Bible College and Seminary exists to educate, encourage, equip and empower emerging and existing Christ-centered leaders for the propagation of the Gospel for the Church, the local and global community.

PURPOSE

Maple Springs Baptist Bible College and Seminary seeks to produce Christ-centered leaders with the values, knowledge, and skills required to fulfill the Great Commission. We seek to transform and prepare for ministry those with or without previous undergraduate training in the biblical area. We do this through a partnership of students, faculty and churches; academic discipline; and an affordable “open door” admission policy permitting the discovery, communication of and preservation of biblical knowledge and understanding in a unified community known as a Bible College-Seminary. We seek to ensure each student is grounded in a conservative, fundamental, evangelical biblical position in order to be an instrument of renewal and development for the Christian and world communities.

OBJECTIVES

Through its curricula, Maple Springs Baptist Bible College and Seminary seeks to promote the following measurable objectives. Each student will be able to:

- Understand and apply the doctrines of evangelical Christianity and the basis for and significance of the Gospel as it relates to persons individually and corporately.
- Understand the Christian world-view and be able to intelligently communicate it and demonstrate it in one's lifestyle.
- Understand and demonstrate the process of biblical interpretation and doctrinal formulation.
- Understand and teach the Bible effectively.
- Understand and demonstrate an understanding of and applications of skills for the specific ministry for which the student is preparing.
- Understand and demonstrate a thorough knowledge of essential biblical principles and teachings for lay or ordained work in the church or the community.
- Demonstrate and apply an understanding of the concepts, principles and biblical teachings through practicums, field experience and other written and verbal measures.
- Think critically about and present a reasoned defense of the faith against other beliefs. A reasoned defense of one's faith refers to the presentation of an apologetic which is based on the biblical revelation and is also intellectually and rationally sound.
RECOGNITION

The Maple Springs Baptist Bible College and Seminary holds full-accredited status with the Transnational Association of Christian Colleges and Schools (TRACS), a national accrediting agency recognized by the United States Department of Education.

The Maple Springs Baptist Bible College and Seminary is a Higher Education member school of the Evangelical Training Association and is authorized to grant ETA certificates and diplomas.

Maple Springs Baptist Bible College and Seminary (MSBBCS) is an exempt religious school operating in the State of Maryland as specified in the Code of Maryland Regulations 13B.02.04. MSBBCS grants the following religious degrees: the Certificate in Biblical Studies, Associate of Arts in Biblical Studies, the Bachelor of Arts in Biblical Studies, the Bachelor of Arts in Biblical Studies with emphasis in Pastoral Ministries or Church Administration, the Master of Arts in Biblical Studies, the Master of Arts in Biblical Studies with emphasis in Old Testament or New Testament, the Master of Arts in Christian Counseling, the Master of Arts in Church Administration, the Master of Divinity with emphasis in Church Administration, Christian Counseling, New Testament or Old Testament, and the Doctor of Ministry with emphasis in Pastoral Ministries or Christian Counseling.

STATEMENT OF PHILOSOPHY

The programs and curricula of the Maple Springs Baptist Bible College and Seminary are built upon the biblical framework that emphasizes the special creation and sovereign control of all things by the Lord Jesus Christ (Colossians 1:16-20), recognizing that all knowledge centers in Him (Colossians 1:10, 2:3, 2:8-10).

The Seminary rejects the evolutionary philosophy, which has been very dominant in the past century, with the conviction that evolutionary humanism is false scientifically and biblically.

The Bible is the heart of the curriculum in contrast to a program that is essentially philosophical or sociological. The Maple Springs Baptist Bible College and Seminary maintains the dispensational approach to the Scriptures, teaches the pretribulational rapture of the church, the premillennial return of the Lord, and interprets the Old Testament prophecies concerning Israel, the tribulation period and the millennial kingdom of Christ literally.

The basic outlook of the Maple Springs Baptist Bible College and Seminary is evangelistic. A world vision is the goal of every class while a missionary emphasis is the underlying objective of each professor. The aim in all curricula is not to provide a secular education in a Christian environment but rather to develop every course within a consistently biblical philosophy. The philosophy of MSBBC&S is to provide quality education while meeting the needs of men and women who are either currently involved in Christian service or desire to be better prepared to serve our Lord. To implement this philosophy, the following certificates and degrees are awarded by the Seminary to those individuals who successfully complete the prescribed programs of study.

Certificate in Biblical Studies
Master of Arts Degree in Biblical Studies (MABS)
Master of Arts Degree in Christian Counseling (MACC)
Master of Divinity Degree (MDIV)
Doctor of Ministry (DMIN)
GOVERNANCE

The Maple Springs Baptist Bible College and Seminary is operated by an administrative staff, with an elected Board of Trustees. The Maple Springs Baptist Bible College and Seminary does not desire to be guided or dominated by any other than God the Father, God the Son, and God the Holy Spirit; it believes the route of independence, under the leadership of the Lord Jesus Christ, is the best way. The Bible College and Seminary is supported by the Maple Springs Baptist Church and through gifts of churches, friends and tuition. The programs offered are primarily intended to serve the Christian community; however, others who pursue these studies would benefit as well.

The governance of the Maple Springs Baptist Bible College and Seminary includes collegial input from the faculty and the students. The faculty's official organ for participation in governance of the Seminary is through the Faculty Senate. The body consists of all core faculty members and is organized into several committees and sub units. Through the Student government association, students impact directly on matters of governance through providing recommendations to the administration. In all cases final decision making is the responsibility of the administration within the broad policies established by the Board of Trustees. The administration considers recommendations from the faculty, staff and students in making governance decisions. On matters of academic impact, the recommendation of the faculty, through its governance organ, shall be factored into the decision made by the administration.

DOCTRINAL POSITION

All faculty, administrative staff, and members of the Board of Trustees subscribe to and sign annually to the following statement of doctrine. Each student must read, understand, and respect the doctrinal statement and the Standards of Conduct. The College trains students for the ministry within a particular doctrinal framework. Therefore, it is to be understood and respected by those who are to be graduated.

DOCTRINAL STATEMENT

SECTION 1. The Scriptures.
We believe in the plenary, verbal inspiration of the original writings of the sixty-six books of the Bible, the Word of God, and that it is the full and complete revelation of God's will for man, the supreme and final authority in all matters of faith and practice (II Timothy 3:16,17; II Peter 1:20,21; Jude 3).

SECTION 2. The Godhead.
We believe in one God, eternally existing in three Persons, Father, Son and Holy Spirit, co-eternal in being, co-identical in nature, co-equal in power and glory, and having the same attributes and perfections (Deuteronomy 6:4; II Corinthians 13:14; Matthew 28:18,19).

SECTION 3. The Person and Work of Christ.
a. We believe that the Lord Jesus Christ, the eternal Son of God, became man, without ceasing to be God, having been conceived by the Holy Spirit and born of the Virgin Mary that He might reveal God and redeem sinful men (John 1:1,2,14,18; Luke 1:35).

b. We believe that the Lord Jesus Christ accomplished our complete redemption through His death on the cross as a representative, propitiatory, and substitutional sacrifice, a redemption made sure to us by His literal, physical resurrection from the dead (Romans 3:24,25; 5:8-10; I Peter 2:24; Ephesians 1:7).
c. We believe that the Lord Jesus Christ ascended into heaven and is now exalted at the right hand of God the Father where, as our High Priest, He fulfills the ministry of Representative, Intercessor and Advocate (Acts 1:9-11; Romans 8:34; I Timothy 2:5; Hebrews 1:3; 6:19,20; 7:24,25; 9:24; I John 2:1,2).

a. We believe that the Holy Spirit is a divine person, possessing all the attributes of deity; and that, in essence, He is equally God (Acts 5:3,4; II Corinthians 13:14).

b. We believe that the Holy Spirit is the Supernatural Agent in regeneration and sanctification, baptizing all believers into the body of Christ, indwelling equally and permanently with every believer, and sealing them unto the day of redemption (Romans 8:9; I Corinthians 6:11; 12:12-14; Ephesians 1:13,14; 4:30).

c. We believe that every unregenerate person, the moment he exercises faith in Christ as Savior, immediately possesses the Holy Spirit (Romans 8:9; I Corinthians 3:16; 6:19; Galatians 4:6; I Thessalonians 4:8).

d. We believe that He is the Divine Teacher who guides believers into all truth; that He sovereignly bestows spiritual gifts upon each believer; and that it is the privilege and duty of all the saved to be filled (controlled) with the Spirit (John 16:13; I Corinthians 12:4-7; Ephesians 5:18).

SECTION 5. The Total Depravity of Man.

We believe that man was created in the image and likeness of God but through Adam's sin the whole race fell, became alienated from God and inherited a sin nature, is totally depraved, possesses no spark of divine life, and of himself, is utterly helpless to remedy his lost condition apart from the grace of God (Genesis 1:25-27; Romans 3:22,23; 5:12; Ephesians 2:1-3, 12).

We believe that salvation is the gift of God brought to sinful man by grace and received solely by personal faith in the Lord Jesus Christ who accomplished complete redemption by His substitutionary death and shedding of His precious blood (John 3:18; Galatians 2:16; Ephesians 1:7; 2:8,9; Philippians 3:4-9; Titus 3:5; I Peter 1:18,19).

SECTION 7. Sanctification.

We believe that sanctification is a setting apart unto God (John 17:17,19). It consists of three steps in the believer's life:

a. Positional: Every believer, by his being "in Christ" and partaking of all He is, has a complete standing before God (I Corinthians 1:2,30; 6:11; Hebrews 10:10,14).

b. Progressive: Yet every believer, because he retains a sin nature which cannot be changed nor eradicated in this life, lives in a present state that is imperfect to the extent that he fails to appropriate the power of the Holy Spirit by which to live the Christian life, and therefore, he is in need of a progressive sanctification by growing in grace unto spiritual maturity (II Corinthians 3:18; 7:1; Ephesians 4:24; Hebrews 12:10).

c. Ultimate: Every believer will be fully and completely sanctified when he shall see the Lord and shall be like Him (Romans 8:29; Ephesians 5:25-27; II Corinthians 3:18; I John 3:2).
SECTION 8. The Comfort of the Believer.

a. We believe, because of the eternal purpose of God, because of the nature of the Word and promise of God, and because of the immutability of the covenants of God, that all the redeemed of God are indwelt by the Holy Spirit, and interceded for by Christ, and therefore secure in Christ forever (John 6:37-40; 10:27-30; 17:11; Romans 8:1,19,30,38,39; I Corinthians 1:4-8; II Timothy 1:12; I Peter 1:5; Jude 24).

b. We believe that God, as a Holy and Righteous Father of all the redeemed, cannot overlook the sin of His children, and when they persistently sin, will chasten and correct them in infinite love (I Corinthians 11:27-32; Hebrews 12:5-11).

c. We believe that it is the universal privilege of believers to rejoice in the assurance of their salvation through the testimony of God's Word: which truth excites within His children filial love, gratitude and obedience (I John 5:10-13; 3:14; II Corinthians 5:6-8; Romans 13:13, 14; Galatians 5:13; Titus 2:11-15).

SECTION 9. The Church.

a. We believe that the universal church, which is the body and the bride of Christ, is a spiritual organism made up of all born-again persons of the present age which began at Pentecost and shall be terminated at the rapture (Ephesians 1:22,23; I Corinthians 12:12-14; Romans 12:5; Matthew 16:16-18; Acts 2:42-47).

b. We believe that the establishment and continuance of the local church is clearly taught and defined in the New Testament Scriptures, being composed solely of believers (Acts 14:27; 20:17,28-32; I Timothy 3:1-13; Titus 1:5-11). These churches worship on the first day of the week, the Lord's Day (John 20:19,26; Acts 20:7; I Corinthians 16:1,2; Hebrews 10:25).

c. We believe baptism by immersion should precede local church membership (Acts 8:35-38).

SECTION 10. The Ministry and Spiritual Gifts.

a. We believe that God is sovereign in the bestowment of all His gifts; and, that the gifts of evangelist, pastor-teacher are sufficient for the perfecting of the saints today (I Corinthians 12:4-11; II Corinthians 12:12; Ephesians 4:7-12; I Corinthians 13:8).

b. We believe that every believer possesses a spiritual gift for the edification of the body of Christ (I Corinthians 12:20-27; Ephesians 4:12).

a. We believe that every saved person possesses two natures, and that all claims to the eradication of the old nature in this life are unscriptural (Romans 7:1-13; Colossians 3:10; I Peter 1:14-16).

b. We believe that the Christian life consists of a positive abiding in union with the living Christ and by living in the power of the indwelling Spirit with the living Christ, and by living in the power of the indwelling Spirit so that the fruit of the Spirit is produced in the life in contrast to lusts of the flesh (John 15:1-16; Galatians 5:16-23; Ephesians 4:22-24).

c. We believe that all the saved should live in such a manner as not to bring reproach upon their Savior and Lord; that separation from all religious apostasy, all worldly and sinful pleasures, practices and associations is commanded of God (Romans 12:1,2; 14:13,21; II Corinthians 6:14-7:1; II Timothy 3:1-5; I John 2:15-17; II John 9-11).

d. We believe that every believer should be a faithful steward of all his substance for the furtherance of the Gospel at home and abroad (II Corinthians 9:6-8; 16:2).
SECTION 12. The Great Commission.
We believe that it is the obligation of all believers to witness by life and by word to the truths of the Holy Scripture and seek to proclaim the Gospel to all mankind (Matthew 28:18-20; Mark 16:15; Acts 1:8; II Corinthians 5:19,20; Romans 10:11-17).

SECTION 13. Dispensations.
We believe in the dispensational approach to Scripture and that God, in His progressive revelation, has entrusted man with varying responsibilities in successive periods. These dispensations are divine testing periods in which the failure of man is consistently seen. Although these dispensations span the history of mankind, seven are the subject of extended revelation in Scripture, viz.: the dispensation of God's dealing with the human family in the ages of Innocence, Conscience, Human Government, Promise, Law, Grace and the coming age of the Kingdom. Likewise, we reject that teaching known as "Ultradispensationalism" which opposes either the Lord's table or water baptism as church ordinances for the dispensation of the church (Isaiah 61:1,2; Luke 4:16-21; I Corinthians 9:10; 3:2,9; A.S.V. Colossians 1:25; A.S.V. I Timothy 1:4).

SECTION 14. The Personality of Satan.
We believe that Satan is a personal being, the highest rank of all angelic creatures; that through pride, thereby becoming the author of sin and the cause of the fall of man; that he is the open and declared enemy of God and man; and, that he shall be eternally punished in the Lake of Fire (Genesis 3:1-19; Isaiah 14:12-17; Matthew 4:21; 25:41; Revelation 20:10).

SECTION 15. The Blessed Hope.
We believe that the next great event in the fulfillment of prophecy will be the imminent, personal, pre-tribulation return of the Lord in the air to receive to Himself into heaven both His own who are alive and remain unto His coming and also all who have fallen asleep in Him. This event is the blessed hope set before us in Scripture, and for this we should be constantly looking (John 14:1-3; I Corinthians 15:51,52; Philippians 3:20; I Thessalonians 4:13-18; Titus 2:11-14; I Thessalonians 1:10; Revelation 3:10).

SECTION 16. The Tribulation.
We believe that the translation of the church will be followed by the fulfillment of Israel's seventieth week (Daniel 9:27; Revelation 6:1-19,21) during which the church, the body of Christ, will be in heaven. This entire period of seven years will be a time of judgment on the whole earth, at the end of which, the times of the Gentiles will be brought to a close. The latter half of this period will be the time of Jacob's trouble (Jeremiah 30:7), which our Lord called the great tribulation (Matthew 24:15-21; Revelation 6:1; 19:21).

SECTION 17. The Second Coming of Christ
We believe that the period of great tribulation will be climaxed by the return of the Lord Jesus Christ to earth as He went, in person, on the clouds of heaven, and with great glory to introduce the millennial age, to bind Satan and place him in the abyss, to lift the curse which now rests on the whole creation, to restore Israel to her own land and to give her the realization of God's covenant promises, and to bring the whole world to the knowledge of God (Deuteronomy 30:1-10; Isaiah 11:4-9; Ezekiel 37:21-28; Zechariah 14:4; Romans 8:19-23; 11:25-27; Revelation 20:1-3).
SECTION 18.  The Eternal State.

a. We believe in the bodily resurrection of all men, the saved to eternal life, and the unsaved to judgment and everlasting punishment (Matthew 25:46; John 5:28,29; 11:25,26; Revelation 20:5,6,12,13).

b. We believe that the souls of the redeemed are, at death, absent from the body and present with the Lord, where in conscious bliss they await the first resurrection, when spirit, soul and body are reunited to be glorified forever with the Lord (Luke 23:43; II Corinthians 5:8; Philippians 1:23; 3:21; I Thessalonians 4:16,17; Revelation 20:4-6).

c. We believe that the souls of unbelievers remain after death, in conscious misery until the second resurrection, when with soul and body reunited they shall appear at the Great White Throne Judgment, and shall be cast into the Lake of Fire, not to be annihilated, but to suffer everlasting, conscious punishment (Matthew 25:41-46; Mark 9:43-48; Luke 16:19-26; II Thessalonians 1:7-9; Jude 6,7; Revelation 20:11-15).

SECTION 19.  The Historicity of the Bible.

We believe in the full historicity and perspicuity of the Biblical record of primeval history, including the literal existence of Adam and Eve as the progenitors of all people, the literal fall and resultant divine curse on creation, the worldwide cataclysmic deluge, and the origin of nations and languages at the tower of Babel (Gen. 2:7; 2:21-25; 3:1-7; 3:8-19; 7:11-24; 11:1-9).

SECTION 20.  The Creation.

We believe in the Genesis account of Creation, and that it is to be accepted literally, not allegorically nor figuratively; that man was created directly in God's own image and after His own likeness; that man's creation was not a matter of evolution or evolutionary change of species, or developments through interminable periods of time from lower to higher forms; that all animals and vegetable life were made directly, and God's established law was that they should bring forth only "after their kind" (Gen. 1:1-2:25; Ps. 8:5; John 1:2-3).

GENERAL POLICIES GOVERNING STUDENTS

The right of sharing in the privileges of the MSBBC&S community involves corresponding responsibilities. These include the recognition of the authority of the administration and faculty of MSBBC&S and the Board of Trustees of MSBBC&S over all procedures, policies and guidelines in governing the Institution.

MSBBC&S seeks to maintain high standards of integrity in academic work, in ministry, and in community relationships. These standards of integrity are expected to be met by students, faculty, and staff and are stated here for self-discipline and support by all members of the college community. Each of us may expect from the other absolute honesty in all relationships, responsibilities, and tasks; integrity and good stewardship in all financial obligations and dealings; conscientious concern for each other in matters of personal habits, attitudes, and actions; demonstration of a spirit which recognizes the Lordship of Christ and expresses the biblical concept of love for God and man; a caring attitude toward others; an appreciation of the facilities of MSBBC&S and a custodial concern for maintaining both its natural and physical facilities.

The maintenance of appropriate personal standards, while members of the community, is expected. The use of alcohol, tobacco and non-prescription drugs on campus is not permitted. MSBBC&S also believes that the biblical standards for human sexuality clearly prescribe a heterosexual relationship within the context of marriage, or sexual chastity for those who are single. Students are expected to conform to these standards and give clear evidence of their Christian life and character so as to commend the Gospel, strengthen the church and honor the Lord.

Evidence of conspicuous or persistent failures in moral responsibility will lead to disciplinary action, which may result in suspension or dismissal from the faculty, staff or student body. Specifics for faculty are outlined in the Faculty Handbook, and details for students are given below.
STUDENT PLEDGE TO THE STANDARDS OF CONDUCT

I understand that my preparation for Christian work requires my personal commitment to the Lord Jesus and separation from sin. I further realize that as a MSBBC&S student, I represent the Lord Jesus Christ as well as the College and Seminary. I am aware that the Scriptures prohibit sins (i.e., stealing, sexual immorality, occult practices and cheating) and attitudes (i.e., pride, lust, bitterness, harmful discrimination, jealousy and an unforgiving spirit) which are to be avoided. In addition, I understand that certain types of activities are questionable and I will avoid those activities as determined by the College and Seminary for testimony's sake. As a member of the MSBBC&S family, I pledge myself, therefore, without reservation to these lifestyle commitments:

1. To recognize the authority of the administration and faculty of MSBBC&S and the Board of Trustees of MSBBC&S over all procedures, policies and guidelines in governing the College and Seminary;
2. To be honest in all relationships, responsibilities, and tasks;
3. To demonstrate integrity and good stewardship in all financial obligations and dealings;
4. To demonstrate conscientious concern for others in matters of personal habits, attitudes, and actions;
5. To demonstrate a spirit, which recognizes the Lordship of Christ and expresses the biblical concept of love for God and man;
6. To submit to the authority of the Scriptures in matters of faith and conduct and to the control of the Holy Spirit;
7. To actively support the cause of Christ and to endeavor to win others to faith in Him;
8. To respect the interdenominational character of MSBBC&S by refraining from propagating potentially divisive doctrines;
9. To use wisdom in selection of media (radio, television, recordings, various forms of literature and films) recognizing that many performances and publications are not edifying and tend to defile the mind (e.g., questionable music);
10. To demonstrate a caring attitude toward others;
11. To appreciate the facilities of MSBBC&S and have a custodial concern for maintaining both its natural and physical facilities;
12. To dress appropriately and in good taste at all times;
13. To abstain from the sale and use of alcohol, tobacco and illegal drugs;
14. To refrain from gambling and social dancing, and attendance at night clubs, bars, and similar places;
15. To ascribe to the biblical standards for human sexuality of heterosexual relationships within the context of marriage, or sexual chastity for those who are single.

I understand that the STANDARDS OF CONDUCT are to guide my behavior on and off the campus for the time I am enrolled in MSBBC&S. While it is recognized that personal preferences differ and that every member of the College and Seminary community might not agree with every detail of these standards, I must honorably adhere to them. Such an attitude on my part is a way I can develop Christian discipline, exhibit Christian maturity and demonstrate the love of Christ in concern both for the integrity of the College and Seminary itself, as well as for the personal welfare of other believers. Further, I understand that failure to cooperate in maintaining the Standards will lead to appropriate disciplinary action and/or possible dismissal.

3. If the mediation at the Dean's level fails, then the student's grievance is consigned to the Vice President for Academic Affairs.

The Formal Process:

1. Student grievances, which are consigned to the Vice President for Academic Affairs, must be specified in writing. A student's written statement, along with supporting evidence, constitutes a case document.

2. The second party to the dispute is also required to provide the Vice president for Academic Affairs a written statement with his/her account of the dispute.

3. The Vice President for Academic Affairs is then required to set a date for convening a meeting to hear the case as expeditiously as possible. All parties are to be informed, in writing, of the charges and the meeting date, as well as a statement requesting his/her presence.

4. During the hearing, the student presents his/her case, after which the accused party is allowed to present the other side.

5. Following the hearing, the Vice President for Academic Affairs will inform all parties, in writing, of his/her decision. The Dean of the College or Seminary is also sent a copy of the Vice President's decision.
NONACADEMIC GRIEVANCE PROCEDURES-

1. A student who believes he/she has been aggrieved must first attempt to seek an informal resolution with the other party involved in the dispute.

2. If the student is unable to resolve the dispute with the primary party of the dispute, then the student is to bring the dispute to the Director of Student Affairs.

3. If the mediation at the Director of Student Affairs level fails, then the student's grievance is consigned to the Vice President for Administration.

4. The Vice President for Administration will set a date for convening a meeting to hear the grievance as expeditiously as possible. During the hearing, the student first presents his or her case, after which the accused party is allowed to present the other side.

5. Following the hearing, the Vice President for Administration will inform all parties, in writing, of the decision.
ADMISSIONS POLICIES

Applicants for admission to MSBBC&S will be considered without regard to color, sex, national or ethnic origin or physical disability. The applicant is assessed according to academic background and personal testimony for the Lord Jesus Christ. In considering applications, the Admissions Board reviews the applicant's complete academic record, recommendations and personal information. If the applicant meets the required standards, he/she will be admitted to MSBBC&S on a semester-to-semester basis.

A certificate or degree from MSBBC&S is not an indication that MSBBC&S is recommending the student for licensing or ordination. Each ecclesiastical denominational organization has its own set of guidelines for licensing and ordaining its ministers.

Application must be made on the official form furnished by the Office of the Director of Records and Admissions. When the necessary information and fees have been received, action will be taken by the Admissions Committee. The applicant will be notified of the decision of the Committee.

ADMISSIONS REQUIREMENTS

General

Acceptance to any certificate or degree program at the Seminary will be granted only after evaluation of the application, references and official transcripts (where required) have been made. The appropriate fee must accompany the application. Admission to a particular program will be granted only after an application to that program has been received and approved.

APPLICATION PROCEDURES

The applicant should carefully complete the application form and send it to the Office of the Director of Records and Admissions along with the following items: (a) application fee; (b) a statement of personal conversion to Christ, experience with the Lord, and service for Christ; and (c) transcript(s) from all colleges and universities where the applicant has done undergraduate and/or higher level course work.
ADMISSIONS PROCEDURES

Applicants should follow these steps in making application for admission to the Seminary:

1. Request admission forms from the Office of the Director of Records and Admissions.
2. Upon receipt of the forms, fill in the requested information; attach your Christian experience statement to the form; and enclose the appropriate application fee and mail to the Office of the Director of Records and Admissions.
3. Request all colleges and universities where the applicant has done undergraduate and/or higher level work to send transcripts to the Office of Records and Admissions.
4. All applicants are encouraged to make arrangements, and take, the Graduate Record Examination/Graduate Management Aptitude Test. However, these exams are not required.
5. All forms and records should be in the Office of the Director of Records and Admissions prior to the deadline for applications indicated on the academic calendar. The normal processing of an application requires from two to four weeks. Applicants whose qualifications are satisfactory will be notified of their status.
6. Proficiency examinations in Greek Grammar and in theology may be administered to entering students with sufficient college credit in these areas.

ADMISSIONS CLASSIFICATIONS

1. **Regular Student** - A student who meets all entrance requirements for a degree program and who has been admitted to that degree program.

2. **Special Student** - A student who desires to take only a limited number of courses for credit, but who is not interested in enrolling in a certificate or degree program. Special students must follow regular application procedures.

3. **Audit Student** - A student permitted to enroll in a course without being required to fulfill the normal course requirements in that course when it is taken for credit. No credit is granted. Audited courses will be recorded on the official transcript. Abbreviated admissions credentials are required of those students who are only auditing courses.

ACADEMIC REQUIREMENTS

Since the Seminary is a school of graduate study, prospective students need to meet minimum academic prerequisites consonant with graduate school standards. Those minimum standards are as follows:

1. A Bachelor of Arts degree or its equivalent is required for entrance into all programs. For applicants to the D.Min program, a Master of Divinity degree or a Master of Arts degree plus 30 semester hours from an accredited institution with a cumulative grade point average of 3.2 (on a 4.0 scale) is required. The prospective student is responsible for having complete transcripts of all post-high school credit sent directly from the school(s) to the Director of Records and Admissions.

2. An acceptable score on the Graduate Record Examination General Test/Graduate Management Aptitude Test or other standard graduate admission examination is encouraged but NOT required. With this evidence, the Admissions Committee may have cause to accept students whose academic record would be too weak for admission without the score on the GRE/GMAT. The score will also assist the Director of Records and Admissions in assigning course loads to students. For additional information on dates, fees and places of examination: write for a GRE Information Bulletin and Registration Form: Graduate Record Examinations, Educational Testing Service, P.O. Box 6000, Princeton, NJ 08541 – 6000.
TRANSFER STUDENTS

Students desiring to transfer to Maple Springs Baptist Bible College and Seminary (MSBBC&S) from other Bible institutes, colleges, and universities, must follow all the steps outlined above when applying for admission. MSBBC&S accepts the transfer of undergraduate and graduate credits from institutions of higher learning that are accredited by U.S. Department of Education approved accrediting agencies.

However, each course is individually evaluated before acceptance to ensure that it meets the requirements of similar offerings at MSBBC&S. The decision to accept or reject transfer of credits rest solely with MSBBC&S. In order for credits to be considered for transference, in addition to the high school record, the student should request the registrar of each college attended since high school graduation to send an official transcript (certified and sealed) of his/her college level work directly to the Office of the Director of Records and Admissions of MSBBC&S.

The final decision on transferring credits will be made, put in writing, and sent to the registrar for inclusion in the student’s folder. The registrar will then give the student a timely response as to the acceptance/rejection of transfer of credits. Once the registrar receives the certified transcript, he/she will forward it to the Dean who will work closely with the members of the appropriate department in making the final decision on transfer of credits. Only work completed with a "C" or better is transferable.

The transfer student should note that every student receiving a degree from MSBBC&S, regardless of the number of transfer credits, must complete 30 of the last 36 semester hours in residency.

CLASS OFFERINGS

Maple Springs Bible College and Seminary offers day and evening classes on a seasonal semester system.

REGISTRATION & ENROLLMENT

The Office of Records and Admissions is primarily responsible for maintaining an accurate and complete record of a student's academic status. It is also responsible for preparing transcripts, certificates, and class rosters.

The Office of Records and Admissions will announce all necessary information in time to permit students to prepare for registration. All students must register for class during the period(s) announced in the official College and Seminary calendar. The Academic Calendar is available at least 30 days prior to the beginning of the Fall Semester. Students who fail to register will not be permitted to attend classes and their names will not appear on official class rosters.

All students are required to register in person during the scheduled times. Late registration will take place on a specific date. See Academic Calendar for details. A late registration fee will be assessed to those who do not register during the initial scheduled three day registration period. Each student by the act of registration, assumes the liability for the payment of all charges for the semester.

Undergraduate students will not be permitted to enroll in graduate courses.

Classes with insufficient enrollment may be canceled. Students will be given an opportunity to enroll in another course.
Students will receive a copy of the syllabus and course outline on the first day of class.

Students are not officially registered until arrangements for paying all charges for tuition, fees, previous balances, etc. have been made. Students who fail to register during the initial three day registration days will be assessed a late fee.

Changes in address, telephone number, or any other information supplied to the college should be reported to the Director of Records and Admissions on the official Change of Student Information form as soon as possible after they occur.

**READMISSION**

A student who has left a program of study at Maple Springs Baptist Bible College and Seminary for one or more semesters will be considered for re-admission only after re-admission application forms has been submitted to the Director of Records and Admissions' Office, prior to the opening of the current semester. A re-admission fee, (see page 83 for Tuition & Fees), is applied.

Those who have been dismissed from the Seminary for academic reasons are readmitted on a case-by-case basis. Such decisions are made by the Admissions Committee, in consultation with the Seminary Dean, which takes into consideration the following criteria: (1) a "Statement of Intent" filed by the student which indicates a renewed commitment and desire to pursue studies and the means to be used to achieve academic goals; and/or (2) satisfactory records of subsequent educational work at other colleges.

Attendance at Maple Springs Baptist Bible College and Seminary is a privilege and not a right. The Administration reserves the right to dismiss any student who does not comply with the purposes, requirements, and regulations of the Seminary.
MSBBC&S is primarily an evening college designed to serve full-time Christian workers and others who have full-time jobs during the day. Therefore, MSBBC&S offers most of its curriculum during evening hours. Most certificates and degrees are earned primarily through the evening programs. This strategy enhances opportunity for learning among those who seek admission to the Seminary.

Although, MSBBC&S is primarily an evening seminary, several classes are held during the day on Saturday.

Evening classes are held Monday through Friday evenings. The entire cycle of courses are offered over a four year period.

The regular academic year programs at MSBBC&S are comprised of two semesters, sixteen (16) weeks each. Summer school is eight weeks.

**DEFINITIONS OF TERMS USED IN DESCRIBING THE ACADEMIC PROGRAM**

**Credit Hour** -- All scholastic work is measured according to the semester credit hour. This is the equivalent of one class of 50 minutes per week (plus preparation) or two laboratory hours per week (plus preparation) for 16 weeks. The "credit hour" is sometimes referred to as a "semester hour."

**Curriculum** -- The pattern of courses leading to a specific educational objective. These are required sequential offerings which meet an educational objective.

**Electives** -- Courses which may be chosen voluntarily by a student, to contribute to a balanced program of education within his or her chosen curriculum or area of emphasis.

**Grade-Point Average [GPA]** -- The GPA is the average determined by dividing a student's total quality points by the total number of semester hours of credit that he or she has attempted. Quality points for one course are computed by multiplying the number of credit hours for a course by the student's grade as measured on a four-point scale. The total quality points earned by a student are computed by adding together the quality points in each of the courses attempted.

**Prerequisite** -- A course which must be completed prior to admission into another course.

**Student Classification** -- Division of students into classes based on the number of credit hours completed.

**Transfer of Credit** -- Applying credit hours earned at one accredited educational institution to the completion of an academic program at another accredited institution. The rule which applies to most transfers is that the grade earned in a transferred course must be "C" or above, and the course must be similar to a course offered in the college to which the transfer is made.
CURRICULUM PHILOSOPHY

The Maple Springs Baptist Bible College Seminary degree programs are structured to give every student a thorough background in Bible and doctrine. Thus, every student regardless of area of concentration, is a Bible major.

CURRICULUM DEPARTMENTS

The academic area of the Seminary is organized according to the following departments:

Department of Bible and Theology

Department of Christian Counseling

Department of Church Vocations
  - Pastoral Ministries
  - Church Administration
Purposes of the Program. Adaptability is a key feature of the Certificate in Biblical Studies, which provides a flexible, short (one-year) program which can be tailored to individuals with varying objectives in their seminary studies. The program can be adapted to meet the needs of: (a) those preparing for missionary service and whose mission board requires formal biblical and theological training; (b) the Christian layperson who desires one year of seminary studies to equip him or her to be a more effective witness and leader in the church; (c) those who need a "trial year" in seminary to define more clearly their gifts and goals, and who may eventually wish to complete a masters-level degree program; and (d) the Christian worker who has only limited time available to pursue graduate level theological studies.

The Certificate is not appropriate for those who hold an undergraduate degree in Bible or its equivalent, nor for those who intend to enter professional ministry. These individuals are encouraged instead to apply for admission into the Master of Divinity.

The required 30 semester hours of course work can be completed in one year.

Admission Requirements. The one-year Certificate program is primarily designed for graduates of North American colleges and universities. Persons seeking admission to the program are required to submit an application for admission to the Seminary.

Completion Requirements. In order to receive the Certificate of Biblical Studies, students are expected to meet the following requirements:

1. Complete a minimum of thirty semester hours in residence at MSBBC&S, with a minimum cumulative grade point average of 3.0 (on a 4.0 scale).

2. Complete all specific courses and distribution requirements for the Certificate in Biblical Studies program as outlined below.

3. Complete all requirements for the Certificate within five years from time of matriculation or within two years of the completion of resident course work.

Students in the Certificate program who decide to seek admission to a degree program of the Seminary will need to submit an application for change of program, as well as any other materials requested by the Office of the Director of Records and Admissions.

Program of Study. To provide graduate level biblical and theological training, while structuring a program of studies which could readily lead into a master's degree program, a flexible curriculum has been designed for the Certificate of Biblical Studies.

Comprehensive Examinations for Degree Seeking Students

All applicants for graduate degrees at the Seminary must take a comprehensive examination. This applies to all master degree programs as well as all doctoral degree programs. Of necessity, the complexity of the doctoral comprehensive examinations is greater than for the master degree examinations. These examinations are given to achieve the following results:

1) Focus the candidates’ attention on and direct his energy toward the academic issues within his discipline or area or emphasis.

2) Provide the Institution with information on the degree to which the candidates have achieved the body of knowledge which the curriculum was intended to deliver.

Though the doctoral comprehensive is more complex than the Masters’ comprehensive, both of these examinations test the candidate on general and broad based issues related to his discipline(s) or area of emphasis.

These examinations are given at least twice during each academic year, once in the Fall Semester and again in the Spring Semester. Candidates should consult their advisor and the Academic Calendar as to the time and place of these examinations.

Candidates are advised to take the comprehensive examination when most course work has been completed in their curriculum of study. Each candidate will be given feedback and an analysis on the results of his examination.
MASTERS DEGREE PROGRAM

Curriculum Design

The Master of Arts and the Master of Divinity, are designed for those students who already have a foundation in biblical studies. This may be from a previous Bible college, Christian liberal arts, or prior seminary education. Courses are designed to build on the earlier biblical education without unnecessary course repetition.

The Master of Arts in Church Administration and Christian Counseling are focused on students who need skills in Church Administration or Christian Counseling and related areas.

Academic Requirements

Students may select a program of studies leading to the Master of Divinity, Master of Arts degrees, or to the Biblical Studies Certificate.

Since the seminary is a graduate school, prospective students need to meet minimum academic prerequisites consonant with graduate school standards. Those minimum standards are as follows:

1. A Bachelor of Arts degree or its equivalent from an accredited institution is required for entrance into all Masters level programs. The prospective student is responsible for having complete transcripts of all post-high school credits sent directly from the school(s) to the Office of the Director of Records and Admissions of MSBBC&S.

2. Students without thirty semester hours of college credit in Bible and Theology and six semester hours of New Testament Greek or six semester hours of Psychology must begin their study at the 500 level.

Master of Arts Program

Purposes of the Program. The Master of Arts program has been designed with those students in mind who have been called into a definite Christian service but who, in some cases, may find need for a type of program different from the professional degrees (Master of Divinity, or Master of Religious Education). The Master of Arts program requires intensive study in a limited area of concentration and is intended primarily for (a) Christian workers in positions where the Master of Arts will gain entrance into academic circles which would not otherwise be possible; (b) teachers in certain Bible institutes and Bible Colleges where the Master of Arts may be the minimum degree required; (c) teachers in Christian Schools who need a Master of Arts degree and wish to secure advanced biblical and theological training even though they do not wish to teach directly in these fields; (d) Christian worker who plan to become counselors in local churches and parachurch agencies; (e) Christian worker who plan to become a church administrator; and (f) students planning to pursue doctoral-level graduate study in a related area of inquiry, for which the Master of Arts degree is an intermediate step. The Master of Arts program is not designed to be a substitute for the professional programs in terms of adequate preparation for the professional ministry.

The Seminary considers the Master of Arts a terminal degree not designed to prepare students for doctoral studies at the Seminary. Graduates holding this degree, who plan to pursue doctoral studies at the Seminary must complete the required hours of preparation for doctoral level studies. Consult your advisor for further details. See admission requirements for the Doctor of Ministry Transitional Program.
Duration of the Program. The Master of Arts program will normally require a minimum of one full-time academic year. However, those without prerequisites will require two full-time academic years. Most of the students served by this Institution work full-time jobs; therefore, it may take longer to meet the course requirements for the M.A.

With our convenient schedule format, an M.A. student for example, will require five regular semesters (taking two courses of six hours each) and two summer sessions (one course of three hours each) to complete the program.

Admission Requirements

In addition to the general requirements for admission to the Seminary, the applicant must have a bachelor's degree or equivalent with a minimum cumulative grade point average of 3.0.

Field of Concentration

The student may select one of four areas of specialty: Church Administration, New Testament, Old Testament or Christian Counseling.

Graduation Requirements

In addition to the general requirements for graduation from MSBBC&S, the following are required of students planning to receive the Master of Arts degree:

1. Complete the minimum number of hours required by the concentration into which the student has matriculated with a minimum grade point average of 3.0 (on a 4.0 scale), with no grade below a “C” in each course applicable toward the degree. No more than two “Cs” will be counted toward the degree.
3. Complete all work within five years from the time of matriculation. A request may be made to the Vice President for Academic Affairs for a waiver of the five-year time limit subject to approval by the President or designee.
5. For graduates of Bible Colleges or those with undergraduate study in Christian Theology or Bible Courses, a minimum of 36 graduate credits must be completed for graduation. Students will be exempted only from courses in which they have taken comparable and relevant undergraduate course(s). All others must complete all listed courses.
Core Curriculum for Master of Arts Degree

The **Master of Arts** program provides advanced academic preparation in Bible, Christian Counseling and Bible-related subjects. It is an appropriate degree for teachers, missionaries, para-church workers, and Christian laymen who wish to have a leadership role in lay ministries. It is also attractive to experienced pastors and other Christian workers whose responsibilities or inclinations do not permit them to pursue other degree programs.

The following curriculum leads to the Master of Arts degree in the area of specialty indicated. The 500-level courses, shown below, are required for all specialty areas.

MASTER OF DIVINITY (M.Div.)

**Purposes of the Program.** The Master of Divinity is the basic professional degree which provides the most comprehensive graduate education in the various interrelated theological and practical disciplines taught in a seminary.

Professional ministry vocations, for which the Master of Divinity is primarily designed to equip students, include pastoral ministry, missions, chaplains and others with a biblical and theological basis for church related ministries. The program also serves as the foundational degree to prepare students for further studies in preparation for vocations in research, teaching and writing in biblically related fields. Consequently, MSBBC&S seeks to maintain a healthy balance in the program among the biblical, theological, historical, and practical studies.

The Master of Divinity specifically aims to: (a) develop in the student a thorough knowledge and understanding of the Bible, its content and teaching as the written Word of God, the infallible rule of faith and practice for the Christian; (b) equip the student in basic disciplines and methodologies so that independent study of the Scriptures may be continued throughout one's ministry; (c) lead the student into systematic examination of Scripture as developed through the history of the Christian church; (d) develop skills in preaching, teaching, church administration, worship, and counseling which will most effectively assist the minister in communicating the gospel; (e) expose the student to current theological inquiry into a variety of theological positions, while developing general familiarity with other religious thought; and (f) develop in the student an ability to think independently and constructively in areas vital to the ministry.

**Admission Requirements:** In addition to the general requirements for admission to the Seminary, applicants for the Master of Divinity program are expected to hold a bachelor's degree, or its equivalent, with a minimum cumulative grade point average of 3.00 (on a 4.0 scale). Thirty semester hours in Bible and theology, and six hours in New Testament Greek are required at the college level. Students without these credit hours are required to begin their program at the 500-level.

**Graduation Requirements:** In addition to the general requirements for graduation from the Seminary, candidates for the Master of Divinity degree are required to: (a) complete at least 90 semester hours with a minimum cumulative grade point average of 3.0, with a grade of at least a “C” in each course (No more than two “Cs” will count toward the degree); (b) complete all courses in the prescribed Master of Divinity curriculum or appropriately approved substitutes; (c) complete at least four semesters of Field Education (FE501, FE502, FE601, FE602); (d) complete a practicum; (e) complete a minimum of 70 semester hours at MSBBS; and (f) give adequate exemplification of the character, emotional stability, maturity, and leadership ability which is essential to effective service in the Christian ministry.

**Internship/Practicum:** Master of Divinity students are required to complete a one semester internship/practicum in order to complete the Master of Divinity degree.

**Master of Divinity Thesis:** Master of Divinity students are required to complete a thesis. All drafts and final copies of the thesis should be prepared in conformity with the latest edition of Turabian's Manual for Writers of Term Papers, Theses, and Dissertations.
Suggested Program of Study: The following curriculum indicates the courses which are normally required in the approved program of study for the Master of Divinity.

For graduates of Bible Colleges or those with undergraduate study in Christian Theology or Bible Courses, a minimum of 36 graduate credits must be completed for graduation. Students will be exempted only from courses in which they have taken comparable and relevant undergraduate course(s). All others must complete all listed courses.

The Master of Divinity Core Curriculum

The Master of Divinity curriculum was designed primarily for students preparing for pastoral ministry in the United States. This curriculum also serves as the basis for doctoral study for those preparing to do research or teach in a biblically or theologically related discipline.

Common Core Requirements

The approved program of study for the Master of Divinity degree is outlined in the suggested sequence of courses shown below. Students who take this sequence are able to complete the program in three years, avoiding scheduling conflicts of required courses. However, if the student meets the prerequisites, the curriculum may be completed in two years.

Doctor of Ministry – Degree Information

The Purpose of the Program: The Doctor of Ministry degree is an advanced professional degree designed for the continuing development of those involved in vocational ministry. Since it is not oriented towards teaching or research in graduate theological studies, the Doctor of Ministry degree is distinct from the Doctor of Philosophy (Ph.D.) or the Doctor of Theology (Th.D.) degrees. The Doctor of Ministry program is designed to enhance professional competence by expanding upon an initial foundation of theology and ministry experience, to enable those in vocational ministry to enhance current strengths, address areas of weakness, and increase overall effectiveness.

The Doctor of Ministry degree is available with emphasis in Pastoral Ministry and Christian Counseling. The major areas of concentration are contextual in design and purpose. It is meant to interface with your current ministry in order to maximize the academic and experience relationship.

Admission Requirements: In addition to the general requirements for admission to the Seminary, applicants for the Doctor of Ministry program are required to have a Master of Divinity or its equivalent which maintains academic standards similar to those of MSBBC&S, with a cumulative grade point average of 3.2 (on a 4.0 scale).

Doctor of Ministry Transitional Program -

The Doctor of Ministry Transitional Program is a specialized degree program designed to enable those students interested in obtaining a Doctor of Ministry degree who are not interested in pursuing the pastorate program required by the Master of Divinity curriculum. Generally, the Doctor of Ministry degree is available with emphasis in Pastoral Ministry and Christian Counseling. However, under the transitional program only the Christian Counseling track will be available to students. The degree program is an advanced professional degree for those not involved in vocational ministry. It is not oriented towards the pastoral ministry emphasis. This program is designed for those interested in expanding their education foundation without the foundation of the Master of Divinity Degree. The major areas of concentration is for counseling students and those students desiring to maximize their academic experience through a healthy balance of biblical, theological, historical and practical studies.

The core curriculum of the Master of Arts is a requirement. Students enrolled in this transitional program will need to take twenty-seven credits (nine courses) to fulfill requirements between the Master of Arts degree to meet the Master of Divinity equivalent requirement. The twenty-seven credits or nine courses listed below will fill the transition requirements for the MA students to enter the Doctor of Ministry program with Christian Counseling emphasis.
The following courses are a supplement to the above degrees:

The Graduate advisor must consent to courses taken to meet the 6 non-core requirements. The total credits required to complete the transitional program for MA graduates is at least 27 credit hours.

All students enrolled in this program will be listed as "Doctor of Ministry Transitional" in our records. Please note once students have chosen this program, they will not be eligible to receive the Master of Divinity degree.

Upon completion of all transitional requirements, students may enroll in the Doctor of Ministry program. Upon completion of all transitional and Doctor of Ministry requirements, the student will receive the Doctor of Ministry Degree.

Candidacy Requirements: The Doctor of Ministry degree program requires a minimum of 36 semester hours of study beyond the Master of Divinity or 60 semester hours beyond the Master of Arts. All students specializing in counseling must meet the counseling prerequisites. This program is designed to meet the professional needs of those preparing or practicing a ministry as pastor, evangelist, missionary, chaplain or Christian Counselor. There are three areas of emphasis: Pastoral, Counseling, Theology.

*D.Min students may be required to take more than the indicated courses. This decision will be made based upon the student’s academic record. The student’s advisor will work this out in counseling with the student.

*D.Min reading may be met by taking one credit for I and II under seminary elective courses under the student’s area of interest: Counseling Students CO780; Theology Students TH785; Pastoral Students NT785. Arrangements to be made with Seminary Dean as to required work.

Note: Doctor of Ministry students must be continuously enrolled in their Program during both Fall and Spring Semesters or their Programs may be changed. Once at the dissertation stage they must maintain continuous enrollment in the dissertation course even if all other class work is completed.

Graduation Requirements (Standard Doctor of Ministry Program): In addition to the general requirements for graduation from the Seminary, a minimum of 30 semester hours of work are required of those planning to receive the Doctor of Ministry degree with no grade below a 'B' in each course, and a cumulative grade point average of 3.2 (on a 4.0 scale) and the completion of the Doctor of Ministry project with a minimum grade of “B-”. All requirements for the degree must be completed in six years from the time of matriculation.

The selection of courses should involve these considerations:

1. The life goal of the student, and
2. The academic cohesiveness and challenge of the total study program of the student.

**Written Contract of Agreement**

Once the Advisor, the Academic Dean and the student have reached an agreement as to the student’s program of study, the agreed to program will be reduced to writing and signed by the Dean, the Advisor and the student. This Program of study will be binding upon all parties as long as the student maintains continuous enrollment in the Seminary and continues to meet all of the Seminary’s standards, policies and requirements. The signed contract of agreement shall contain these elements:

1. Degree objective.
2. Date of signatures.
3. Specific courses required.
4. Any course approved to be used as a substitute.
5. Full name, address and social security number of student.
6. Total number of hours to be completed at MSBBC&S.
7. Other relevant information, including written signatures of all parties.

This agreement may be amended upon mutual agreement of all parties.
CLASSIFICATION OF STUDENTS

The students enrolled in the Seminary are classified as follows:

Anyone who has completed a Bachelor's degree with at least 120 semester hours or a student who has completed a Master's degree. Doctoral candidates are required to have a Master of Divinity, or its equivalent, with a cumulative grade point average of 3.2 (on a 4.0 scale).

Full time Students - Those carrying 9 or more semester hours
Part time Students - Those who have elected to carry less than 9 hours

Probationary Students -- Those whose academic loads have been reduced because of a deficient grade point average.

Special Students: Students who desire Christian training but are not enrolled in a degree program. Students whose vocational goals are uncertain and who desire a year of theological study may enroll as special students. Such a period of study will provide exposure to our varied curriculum offerings and opportunities to seek counsel in order to make wise decisions concerning vocational directions. Special students may register for any courses for which they meet the individual course prerequisites as noted in the course description section of the catalog.

FREQUENCY OF COURSE OFFERINGS

With the exception of the first year core curriculum requirements and certain other basic courses, many of the courses in the curriculum are not offered every year. Most of these are offered in alternate years and on demand.

The breath of the curriculum and the carefully calculated distribution of courses over a four-year cycle means that there will always be courses in each of the departments for the student to select from, even though a particular course may not be offered at the time it is desired by the student.

While the Seminary publishes its intentions to offer the courses described in this catalog at the time indicated in the schedule, it reserves the right to withdraw any course for which there is an insufficient demand. If within one week of the registration date for the semester there is an insufficient number of student have registered for a course being offered, the department offering the course may be permitted to withdraw the course and arrange for the registered students to meet any requirements attached thereto in some other way.
COURSES AND CREDITS

Course content is based on textbook materials, an analysis of material in each chapter, and material presented by the teacher in class. Grades are based on collateral reading, written reports, and examinations in the form of objective, multiple choice, and essay questions. The student is expected not only to acquire and recall facts, but also to relate those facts to personal experiences and Christian responsibilities.

COURSE WITHDRAWAL

ADD/DROP POLICY

Students may add or drop a course(s) using the official add/drop form during the first two weeks of classes without academic penalty. Any student who drops a course without using the official add/drop form will receive a permanent grade of "F" for the course. The procedure for adding or dropping courses is as follows:

1. Secure Add/Drop form from the Director of Records and Admissions' Office.
2. Secure Advisor's approval on the Add/Drop form.
3. Return Add/Drop form to the Director of Records and Admissions' Office.

WITHDRAWAL FROM A COURSE

Students who withdraw after the first two weeks of class will receive a grade of "W" which has no grade point value. Mere absence from class does not constitute withdrawal. An official request to withdraw from a course must be executed through the Office of Records and Admissions. Students will receive a failing grade for courses in which they did not officially withdraw.

WITHDRAWAL FROM THE COLLEGE OR SEMINARY

A student who wishes to terminate enrollment with the College or Seminary must file, with the Director of Records and Admissions, a notice of intent to withdraw. A student may withdraw from the Seminary/College (all classes in which they are enrolled) up to and including the last day of classes prior to the beginning of the final examination period. If a student leaves the College or Seminary, and fails to withdraw officially, from all classes in which they are enrolled, it will result in an "F" on the student's permanent record, for each class. Hence, faculty members cannot officially withdraw, add, or drop a student from a course or the Institution. A student who withdraws from the College or Seminary and who later wishes to re-enroll must submit a re-admission application along with the appropriate fee.

A student must clear all financial obligations prior to the withdrawal.

A student may request a leave of absence for a semester or up to one year. All requests must be in writing and submitted to the Vice President for Academic Affairs for approval.

CHANGE DEGREE PROGRAM

Students desiring to change their current program of Study must submit their request using the Change of Degree Program form. All changes in degree programs must be coordinated with the student’s advisor or the appropriate dean. Note students who have completed a degree program and wish to seek another degree must fill out a new admissions application and pay the appropriate fee.
EXAMINATIONS

Examinations taken out of their regularly scheduled time, either early or late, impose an added burden on the faculty. Any student desiring to take an examination out of schedule must obtain the permission of the professor and be subject to a fee per examination.

CHANGE OF GRADE & CHANGE OF INCOMPLETE

Students who believe that a grade has been issued in error must contact the instructor. In the event that grade is to be changed, the instructor will submit a Change of Grade form to the Office of the Director of Records and Admissions.

A grade of "I" is awarded if a student has not completed required course assignments and is passing the course at the end of the term. A student has one term exclusive of "summer" to complete the required work. If required work is not completed in the next consecutive term, the grade will default to an “F.”

GRADE POINT SYSTEM

Graduation from the Seminary is based not only upon the accumulation of credit hours but also upon the number of grade points earned by the student which constitutes the grade point average (GPA). The Seminary follows a 4.0 grade point system and requires a 3.0 average for master's graduation and 3.2 average for doctoral graduation. The student's cumulative grade point average (GPA) is based on hours attempted.

The following criteria are used at MSBBC&S in assigning letter grades:

"A" Designates outstanding work: superior achievement of course objectives;
"B" Designates good work: commendable achievement of course objectives;
"C" Designates acceptable work: satisfactory achievement of course objectives;
"D" Designates minimal work: marginal achievement of course objectives;
"F" Designates failure: unacceptable work.

The following grade points are assigned to letter grades, given on a "plus/minus" system:

The following grades and notations are also used in the grading system of the Seminary:

**AU** Audit: indicates that the student registered for the class on an audit basis; normally indicates regular attendance in class and participation in discussion although not enrolled for credit. Since no grade is assigned grade points and hours are not accumulated for courses audited.

**I** Incomplete: represents a minimum of 70 percent of course work completed and the student is passing the course at the end of the term.

**S** Satisfactory: represents successful completion of a course offered on a no credit basis.

**U** Unsatisfactory: represents failure to complete a course offered on a no credit basis. Course must be repeated.

**W** Withdrawal: withdrawal from the course.

---

**GRADE REPORTS**

Grade reports are issued at the end of the semester. In compliance with Federal Statute, Public Law 93-380, cited as the Educational Amendments of 1974, Section 438, Protection of the Rights and Privacy of Parents and Students, all reports of grades are mailed to the student at the address indicated on the Admission Application. Errors on the grade report other than grade errors should be reported to the Director of Records and Admissions' Office within two weeks of receiving the grade report. The student's copy of the grade report will be mailed within three weeks after the completion of the semester.

---

**ACADEMIC PROBATION**

A student is placed on academic probation at the conclusion of any semester in which his or her cumulative grade point average falls below that which is required for the degree program or whose current semester grade point average is less than 3.0. The student remains on probation as long as the cumulative average remains below the required level. An academic warning shall be given at the conclusion of any semester in which the student fails to earn the minimum grade point average required for the program of study, even though the cumulative average may be acceptable. The minimum grade point average for the specific degree programs, and for Special Students, is as follows:

- Master of Divinity: 3.0
- Master of Arts: 3.0
- Doctor of Ministry: 3.2
- Special Students: 3.0

Students who fail to raise their cumulative grade point average to the required level by the end of two semesters on probation, or who fail to make substantial improvement in grade point average though remaining on probation, will be academically dismissed from the Seminary.

After academic dismissal from the Seminary, the Admissions Committee will consider applications for readmission only if warranted by exceptional circumstances. Such applications are considered on a case by case basis, seeking reasonable grounds to expect that the former student could make satisfactory progress toward removal of his/her probationary status. After dismissal, a time period of no less that eight weeks must transpire before application for readmission may be considered.

The status of any student whose cumulative grade point average drops below 3.00 for masters or 3.20 for
doctorates is changed to probationary. Any probationary student who fails to raise his/her cumulative grade point average to 3.00 for masters or 3.20 for doctorates over the next 2 semesters is ineligible for continued study in the degree program. The student may request permission to continue study as a special student.

The student who brings up their cumulative average to 3.00 for the masters or 3.20 for the doctorates, or above, over the next 2 semesters hours of work will be restored to regular status.

The student who fails to meet the above requirement will not be readmitted to the degree program. Any student who has a question about status may appeal to the administration for reconsideration.

1. **Good Academic Standing** – A student is considered in good academic standing when a GPA of 3.0 for masters or 3.20 for doctorates is maintained.

2. **Academic Warning** - An academic warning notice will be placed on the student's semester grade report that academic performance is below the standard of 3.00 for masters or 3.20 for doctorates which is necessary for graduation from any program.

3. **Academic Probation** - An academic probation notice will be placed on the student's semester grade report that academic performance is below the standard of 3.00 for masters or 3.20 for doctorates which is necessary for graduation from any program.

4. **Academic Dismissal** - The student should expect to be dismissed from MSBBC&S when their cumulative GPA falls below 3.00 for masters or 3.20 for doctorates. Students dismissed for low academic achievement may appeal the decision to the Committee of Academic Affairs or they may reapply for admission after a period of one academic year. Applicants for readmission need to supply evidence of successful work or course experience since the time of dismissal and submit a plan for successful completion of course work in the future at MSBBC&S.

**ACADEMIC LOAD**

In determining the academic load to be carried, students must use self-discipline and good judgment based on their previous academic records.

**COURSE LOAD LIMITATIONS**

A full-time graduate is any graduate student enrolled in nine (9) or more hours during any one semester. Students who desire to take more than twelve (12) credit hours must obtain the approval of the Seminary Dean. Only students in good academic standing (cumulative G.P.A. of 3.0 or better) will be approved to carry more than twelve (12) credits during any one semester. No student will be approved for more than fifteen (15) credit hours during any one semester.

**COMPLETION OF COURSEWORK**

Each course must be completed before the official conclusion of each semester. Under unusual circumstances the student, in consultation with the course instructor, may be granted a two-week extension to complete course work. The student must initiate all such requests.
ABSENCES

1. Class attendance is of paramount importance and excessive absences will affect the final grade. Each student is permitted to be absent from class two periods per semester without penalty. Note: Two tardies is equivalent to one absence.
2. After 20% absence, the student normally receives an “F”.

COURSE CANCELLATIONS

Although the Seminary will endeavor to hold all courses scheduled, it reserves the right to cancel any course due to insufficient enrollment.

TRANSCRIPTS

Student transcripts are kept on file in the Director of Records and Admissions’ Office. A copy of the transcript includes only the academic record accumulated by Maple Springs Baptist Bible College and Seminary. The first copy of the transcript is provided to the student at no cost. Thereafter, a fee is charged for each transcript payable in advance. Money orders should be made payable to Maple Springs Baptist Bible College and Seminary. Copies of transcripts furnished from other institutions become the property of MSBBC&S and will not be furnished for other purposes. All transcript requests must be made by students and must be in writing. Transcripts will not be issued for students who have outstanding fees, fines, library books and failure to complete admission requirements.

PRIVACY OF STUDENT'S RECORDS

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The FERPA was enacted by Congress to protect the privacy of educational records, to establish the right for students to inspect and review their educational records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. The privacy of all student records is observed at MSBBC&S. No information will be released to the public without the consent of the student. Members of the administration, faculty or counseling staff may have access to student records and then only for educational, administrative or statistical purposes. Students have the right to file complaints with the Family Education Rights Privacy Act Office (FERPA) in Washington, D.C. concerning alleged failure by the College and Seminary to comply with the Act.

RECORDS RETENTION

The Seminary retains documents received in the admissions process for those who apply, but for whatever reason do not enroll, for two years. For those who do enroll, the Seminary retains documents in the official student dossiers, including transcripts on file from other educational institutions, for five years beyond the date of last attendance at MSBBC&S. Records of individual academic performance at MSBBC&S are retained permanently.

GRADUATION REQUIREMENTS

Students who are in the Seminary must graduate under the catalog of their original enrollment period unless there is a lapse of one academic year or more. In this case, the student will be expected to fulfill requirements of the catalog in effect at the beginning of the last continuous enrollment period prior to graduation. Student’s who begin in one major and decide to change to another, will follow the catalog in effect at the time the change is approved. **SEE APPROPRIATE CATALOG FOR SPECIFIC GRADUATION AND CURRICULUM REQUIREMENTS.**
Students may receive only one degree per academic year.

All grade point averages are based on a 4.0 system.
2. The evidence of genuine Christian faith and a consistent testimony.

   B. Any student dropping out for more than one year will come back under the catalog in effect at that time.
14. Variance from Stated Requirements. In special cases, certain course substitutions may be made for required courses. For any deviation from stated requirements for graduation, a petition must be filed with the Vice-President for Academic Affairs. If approved, a copy of the petition will be placed in the student's file. It is also subject to final approval by the President or his designee.

GRANTING DEGREES AND COMMENCEMENT

The annual commencement convocation is held at the end of the spring semester. Students who complete degree requirements the preceding summer and fall terms are invited to participate in the spring commencement convocation. Only students who have met all requirements for graduation will be permitted to participate in commencement exercises.

Students can receive only one degree per academic year.
THESIS AND DISSERTATION REQUIREMENTS

A student involved in writing a thesis or dissertation must adhere to the guidelines provided in the latest edition of “A Manual for Writers of Term Papers, Theses and Dissertations”, by Kate L. Turabian. Students should be prepared to follow the strict scheduling requirements when writing thesis and dissertations. Failure to meet any of the deadlines could result in postponement of graduation. See manual for important details.

A written dissertation is required for all candidates at the doctoral level and thesis for those students seeking credentials in Theology or Ministry at the master's level. The dissertation must consist of at least 25,000 words while the thesis must consist of at least 12,000 words. The subject matter must be related to the student's major field of study and be supported with a significant bibliography. Specific thesis and dissertation requirements are written in the Seminary Catalog.

AUDIT STUDENTS

Applicants who wish to take a course but not receive credit for it may do so on an audit basis. Audit students are not held responsible for tests and other class assignments. Applicants must meet the admission requirements, complete an Application for Admission, and pay the appropriate application and course fees.

FIELD EDUCATION

Students enrolled in the MSBBC&S for a master's degree program are required to participate in Christian service ministries for each academic semester specified in the program of study. The Christian service ministries may be performed in a local church or other appropriate institutions. The students will provide periodic reports of accomplishments and evaluations to their assigned advisor. All candidates for degrees must meet these requirements to graduate, even though credit hours are not given for these ministries.

PROGRAM RESTRICTIONS

Each student is held responsible for his/her schedule of courses arranged at the time of registration. Any changes must be made in the Director of Records and Admissions' Office. A student who makes a change in his/her schedule without completing an add/drop forms with the Director of Records and Admissions' Office will be penalized by loss of credit for the course involved. The Seminary reserves the right to drop students who fail to do satisfactory work or who do not cooperate with the policies of the Seminary, at any time. The student must enroll with the understanding that the Administration may request the withdrawal of any student at any time, who in its opinion, does not fit into the spirit of the Institution whether or not the student conforms to the specific regulations of the school.

The graduate level programs are designed to further a student's undergraduate training on the Masters and Doctoral levels providing expertise in a limited field of study.

Students whose undergraduate study has included basic biblical and theological subjects which clearly parallel courses in a prescribed masters curriculum are encouraged to request program modifications in one or both of two ways: 1) Eligible students who have taken such courses beyond the normal bachelor's degree requirements may request advanced standing toward the masters degree. Permission to receive advanced standing is determined by the advisor. 2) Eligible students who have taken such courses as part of their bachelor's degree may request the substitution of other course work in order to meet the required number of credit hours to be completed at MSBBC&S.
MSBBC&S is dedicated to learning and upholds the highest academic standards. Students are expected to attend all scheduled classes for which they are enrolled except in cases of illness or other valid reasons. In all cases, students must notify the professor.

Given its objectives, MSBBC&S will not overlook failures of personal integrity in matters of academic honesty among members of the college community and will deal with them in an effort to seek the interest of all concerned. Cheating on an exam shall result in a "zero" for the exam and an "F" for the course. Copying someone else's paper will result in a "zero" for the paper and an "F" for the course. Additionally, students may be placed on probation or suspension due to these violations.

Students who have not met, or made satisfactory arrangements to meet, all financial obligations to MSBBC&S, including library book returns and library fines will not be allowed to register for the next academic semester. No diploma, transcript, letter of recommendation shall be granted, nor actions taken in regard to placement, until such time as these arrangements have been completed. Students will be graduated only after their debts to MSBBC&S have been paid, or arrangements satisfactory to the administration have been agreed upon.
The Seminary course numbers consist of a prefix and a three digit number. The prefix is used to identify the subject area. The three digit number is used to identify the degree level. Seminary Division course numbers are identified according to the following system:

COURSE SUBSTITUTIONS

Any substitutions for, changes in, or exceptions to courses which are required for the granting of a degree from Maple Springs Baptist Bible College and Seminary, must be submitted to the Academic Dean and to the Vice President for Academic Affairs. Final approval will be granted by the President or designee.

DIRECTED INDEPENDENT RESEARCH

For students needing courses for which the demand is insufficient to justify a regular class, for students that have irreconcilable conflicts, and for students capable of completing additional independent work, provisions are commonly made by colleges under such headings as "directed reading," "directed research," or "directed independent study." At Maple Springs Baptist Bible College and Seminary, the latter term is used. Directed Independent Study (DIS) is subject to five limitations: (1) All courses so taken must be individually submitted to the Academic Dean for approval; (2) Permission is not granted if the course is available in a regular class at a period open to the student; (3) The consent of the instructor must be secured; and (4) The quality of the course must be maintained though the arrangement differs from the traditional method of instruction and learning; (5) The course is not the first course taken by the student at MSBBC&S. The tuition rate for DIS is the same as the regular tuition rate.

Assignments are made on the basis of 50 clock hours of study for each semester hour of credit granted, which means 150 hours of study for a three credit course. The student is responsible for completing all requirements assigned by the instructor. The instructor will set due dates for all assignments. Directed Independent Study is designed to meet a specific need in exceptional circumstances, and is not intended to have extended use.

How to Apply for Financial Aid

In order “to determine eligibility” and “to receive” federal financial aid while attending MSBBCS, you must use our virtual financial aid system (VFAO), Weber and Associates.

To start the on-line financial aid application, please follow the steps listed below. Be sure to complete your FAFSA prior to starting the interview. Go to www.fafsa.ed.gov to complete your FAFSA. You must also have a valid e-mail account as the VFAO system will “only” communicate with you via e-mail. Your e-mail account should be monitored closely to ensure timely completion of the application process.

2. Login if you are a returning student or register as a new user to create an account.
3. Follow the link to the “Student Interview Center.” Refer to the FAQ’s in the right-hand column for tips and instructions as you go through the interview. (Please make sure you enter your social security number and date of birth correctly.)
4. Have your FAFSA Student Aid Report handy as you will be asked to enter your Estimated Family Contribution (EFC) number found on that report.
5. Once you complete the interview, you will receive a Detailed Financial Plan. Print out a copy for your records.
6. Click “Done” to submit the application.
7. You will receive an e-mail confirming completion of the interview.
8. If additional information is needed to process your application for aid or you have been selected for verification by the U. S. Department of Education you will receive an email with further instructions.

SATISFACTORY ACADEMIC PROGRESS

The Department of Education mandated development of standards of Satisfactory Academic Progress for students (graduate and undergraduate) to maintain or re-establish eligibility to receive Title IV student financial aid funds. Satisfactory Academic Progress is measured both by Cumulative Grade Point Average (Qualitative Measure) and Completion Rate (Quantitative Measure).

The qualitative component of Satisfactory Academic Progress (SAP) consists of maintaining a minimum cumulative grade point average (CGPA). The quantitative component consists of completing a program within the maximum allowable time frame. This time frame is one and one-half the program length measured in credit hours. The Rate of progress (ROP) is calculated by dividing the total number of successfully completed academic credits by the total number of attempted academic credits. A student who is meeting the standards for Satisfactory Academic Progress (SAP) is eligible to continue studying at Maple Springs Baptist Bible College and Seminary and to continue receiving Financial Aid.

The following chart describes the CGPA required of the student:

(1) **The GPA Measure**: the cumulative grade point average (GPA) must be equal to or greater than the corresponding grade point average based on the following earned semester hours.

(2) **The Completion Rate Measure**: cumulative earned credits must be at least 75% of the cumulative attempted credits in order to graduate within 150% of the normal time frame.

**Note**: Grades of “W” and “I” and repeated courses will be included in attempted. This means that you must pass at least 3 out of every four courses that you attempt and that withdrawing from courses and repeating courses will have negative effects on your completion rate. A student’s maximum time allowed to complete his/her degree is six (6) years.

More specific requirements for meeting Satisfactory Academic Progress are outlined in the Student Handbook and Financial Aid Manual and will also be reviewed with the student receiving tuition assistance from the Office of Financial Aid via a student contract. The student must maintain both the qualitative and quantitative measures of Satisfactory Academic Progress in order to receive Title IV funds.
RETURN OF TITLE IV FUNDS

The Financial Aid Office is required by federal statute to recalculate federal financial aid eligibility for students who withdraw, drop out, are dismissed, or take a leave of absence prior to completing 60% of a payment period or term. The federal Title IV financial aid programs must be recalculated in these situations.

If a student leaves the institution prior to completing 60% of a payment period or term, the financial aid office recalculates eligibility for Title IV funds. Recalculation is based on the percentage of earned aid using the following Federal Return of Title IV funds formula:

Percentage of payment period or term completed = the number of days completed up to the withdrawal date divided by the total days in the payment period or term. (Any break of five days or more is not counted as part of the days in the term.) This percentage is also the percentage of earned aid.

Funds are returned to the appropriate federal program based on the percentage of unearned aid using the following formula: Aid to be returned = (100% of the aid that could be disbursed minus the percentage of earned aid) multiplied by the total amount of aid that could have been disbursed during the payment period or term.

If a student earned less aid than was disbursed, the institution would be required to return a portion of the funds and the student would be required to return a portion of the funds. Keep in mind that when Title IV funds are returned, the student borrower may owe a debit balance to the institution.

If a student earned more aid than was disbursed to him/her, the institution would owe the student a post-withdrawal disbursement which must be paid within 120 days of the student's withdrawal.

The institution must return the amount of Title IV funds for which it is responsible no later than 30 days after the date of the determination of the date of the student’s withdrawal.

Refunds are allocated in the following order:

- Unsubsidized Federal Stafford Loans
- Subsidized Federal Stafford Loans
- Unsubsidized Direct Stafford Loans (other than PLUS loans)
- Subsidized Direct Stafford Loans
- Federal Perkins Loans
- Federal Parent (PLUS) Loans
- Direct PLUS Loans
- Federal Pell Grants for which a Return of funds is required
- Federal Supplemental Opportunity Grants for which a Return of funds is required
- Other assistance under this Title for which a Return of funds is required (e.g., LEAP)
STUDENT TUITION REBATE

A 25% tuition rebate on a maximum of two courses will be awarded to the spouse of a student carrying nine (9) or more hours.

WORK-AID STUDENTS

A limited number of work-aid positions are available to eligible students. A 25% tuition rebate will be awarded to students who are approved by either the Executive Vice President or the Vice President for Finance and Administration and who work at the Institution for at least three (3) hours per week. Work aid students must be approved one semester prior to awarding of the tuition rebate and must have also worked one semester prior to the awarding of the tuition rebate. Positions must be approved by either the Executive Vice President or Vice President for Finance and Administration.

MAPLE SPRINGS BAPTIST CHURCH SCHOLARSHIP

A 25% per semester tuition rebate will be awarded to eligible Maple Springs Baptist Church members who are currently enrolled. The church establishes the criteria for eligibility. The Chair of the Finance Ministry of Maple Springs Baptist Church administers this program.

SCHOLARSHIPS

A Limited number of scholarships have been made available through generous gifts from family, friends, churches and organizations.

The criteria for scholarship assistance will vary depending upon the particular scholarship. A student desiring scholarship assistance should submit a formal application form, which may be obtained from the Business Office. The College and Seminary’s Scholarship Committee, within guidelines established by the benefactors, make decisions concerning scholarship awards. All scholarship funds will be credited directly to the student's account.

Tuition and fees are subject to change without prior notification
General Expenses

In addition to academic fees, the student will have other expenses. These will include, but are not limited to, classroom supplies and books.

All fees associated with graduation must be paid in full by the first Saturday in February, whether the candidate receives the degree in person or in absentia. These fees are non-refundable.

PAYMENT OF ACCOUNTS

All fees are due and payable upon registration. However, the administration realizes that this requirement could make a Bible–centered education, an impossibility for some sincere individuals. The following deferred payment plan has been developed to assist students whose financial position demonstrates need:

1. One-half due on registration day
2. One-half due on fourth week of classes

A five-day grace period will be allowed from the day the payment is due. Students whose payments are delinquent after the grace period will be assessed a late payment fee and are subject to immediate dismissal and/or a late payment fee.

Scholarships or employer/church tuition assistance may be applied against the amount owed. However, credit is not given until the office of Business Affairs has received the funds.

Students who are receiving tuition assistance from a third party (employer, church, etc.) must bring an official statement from the source at the time of registration stating the level of assistance. It is the student's responsibility to see that payment is made by the due date.

Payment must be made for textbooks at the time of purchase unless prior arrangements are made through the Office of Business Affairs.

Remittances should be made by cash, check, credit card or money order. All checks should be made payable to Maple Springs Baptist Bible College and Seminary. All payments should be clearly marked as to their purpose and for whose account the money is intended.
TUITION AND REFUND POLICY

Any student who withdraws from courses or the College or Seminary in writing and whose withdrawal is officially approved may receive a refund of tuition and course related fees as follows:

- 100% if dropped before the first week of classes
- 90% if withdrawal is before the end of the first week of classes
- 80% if withdrawal is before the end of the second week of classes
- 70% if withdrawal is before the end of the third week of classes
- 60% if withdrawal is before the end of the fourth week of classes
- 50% if withdrawal is before the end of the fifth week of classes
- 40% if withdrawal is before the end of the sixth week of classes

There are no refunds after the sixth week classes.

RETURNED CHECKS

There is a charge for any check accepted by the Seminary that is returned. Returned checks received for payment of registration fees, if not redeemed within ten (10) calendar days from the postmark date of the institution's letter of notification, may result in the administrative dismissal of the student who fails to redeem check.

No student may receive a degree, grades, or a transcript of his/her record until all accounts are settled. The term "account" includes any indebtedness to the Seminary.

COST ADJUSTMENTS

The Maple Springs Baptist Bible College and Seminary reserves the right to adjust tuition and other fees whenever it is deemed necessary.
ENDOWMENTS

To Friends, Family and Churches, who seek the accomplishment of the mission of Maple Springs Baptist Bible College and Seminary in the thorough preparation of creative Christian service of Pastors, Missionaries, Church School Teachers, and Christian workers, pleases considers these options listed below.

Friends who desire to strengthen the financial structure of the College and Seminary by gifts will find, doubtless, no better way to perpetuate one's life in the Gospel ministry than to set up a memorial fund. Here are opportunities for one's Christian service to continue even after death. We offer the following suggestions for the prayerful consideration of our interested friends:

A PROFESSORIAL ENDOWMENT whereby a fund would be established memorializing a name chosen by the donor, the interest of which would provide for professors' salaries.

A LIBRARY ENDOWMENT for the purchase of additional books for the College and Seminary library.

A STUDENT AID ENDOWMENT for the support of worthy students who need financial assistance while attending the College and Seminary.

A CHAPEL ENDOWMENT for the purchase of a chapel and equipment for the College and Seminary.

A SCHOLARSHIP ENDOWMENT to provide a free course of study to outstanding students.
