General Information

NAME AND HISTORY

Name of the Institution

The name of the Bible College and Seminary was derived from the founding church, the Maple Springs Baptist Church, and then pastor, Rev. Dr. Chester Allan McDonald, Sr.

History of the Institution

Maple Springs Baptist Bible College and Seminary was founded in 1986 by Dr. C.A. McDonald, Sr., Pastor of the Maple Springs Baptist Church, to help provide trained personnel for the propagation of the Gospel. Dr. McDonald appointed Dr. Larry W. Jordan, the Minister of Education of the Maple Springs Baptist Church; to develop and implement the programs required to establish the Maple Springs Baptist Bible College and Seminary. Dr. Jordan designed and implemented the curriculum to prepare for the ministry those who have had no previous undergraduate training in the biblical area as well as those who have completed an undergraduate degree.

The Maple Springs Baptist Bible College and Seminary is an independent, fundamental, conservative, and for the most part, local church oriented Institution, meeting the need for leadership in an ever-changing society. The College and Seminary is Baptist, both in belief and practice. It is committed unreservedly to the verbal-plenary view of inspiration believing every Word of the Bible to be the inspired Word of God. We are committed to the defense and proclamation of the Scriptures, upon which all true education has its foundation.

On October 20, 1989, the Maryland State of Higher Education Commission authorized the Maple Springs Baptist Bible College and Seminary to grant the Associate in Arts Degree in Biblical Studies, the Bachelor of Arts Degree in Biblical Studies, the Master of Ministry, the Master of Arts in Biblical Studies, the Master of Arts in Church Administration, the Master of Arts in Christian Counseling, the Master of Divinity, the Master of Theology, the Doctor of Ministry and the Doctor of Theology.

MSBBC&S held its first annual graduation exercises May 25, 1990. It awarded five (5) Evangelical Training Association Adult Education certificates, one (1) bachelor's degree, five (5) master degrees, and granted one (1) Honorary Doctor of Humanities degree.

Associate status is designed for institutions wishing to be identified with TRACS based on meeting the requirements of BIBLICAL STANDARDS only, which meet the eligibility requirements and submit a letter of intent as to its future with TRACS. The purpose of this level of recognition is to enable new and developing institutions to come under the guidance of TRACS with the goal of moving toward accredited affiliation as soon as possible and to provide a way for institutions which hold accredited status with nationally recognized accrediting agencies to identify and work with TRACS without seeking accredited level status.

On February 5, 1993, Maple Springs Baptist Bible College and Seminary became a corporation.

On March 20, 1993, the structure of MSBBC&S changed to two major divisions, Maple Springs Baptist Bible College and Maple Springs Baptist Bible Seminary, and an adult education division. PURPOSE

Maple Springs Baptist Bible College and Seminary seeks to produce Christ-centered leaders with the values, knowledge, and skills required to fulfill the Great Commission. We seek to transform and prepare for ministry those with or without previous undergraduate training in the biblical area. We do this through a partnership of students, faculty and churches; academic discipline; and an affordable "open door" admission policy permitting the discovery, communication of and preservation of biblical knowledge and understanding in a unified community known as a Bible College-Seminary. We seek to ensure each student is grounded in a conservative, fundamental, evangelical biblical position in order to be an instrument of renewal and development for the Christian and world communities.

OBJECTIVES

Through its curricula, Maple Springs Baptist Bible College and Seminary seeks to promote the following measurable objectives. Each student will be able to:

- Understand and apply the doctrines of evangelical Christianity and the basis for and significance of the Gospel as it relates to persons individually and corporately.
- Understand the Christian world-view and be able to intelligently communicate it and demonstrate it in one's lifestyle.
- Understand and demonstrate the process of biblical interpretation and doctrinal formulation.
- Understand and teach the Bible effectively.
- Understand and demonstrate an understanding of and applications of skills for the specific ministry for which the student is preparing.
- Understand and demonstrate a thorough knowledge of essential biblical principles and teachings for lay or ordained work in the church or the community.
- Demonstrate and apply an understanding of the concepts, principles and biblical teachings through practicums, field experience and other written and verbal measures.

biblical revelation and is also intellectually and rationally sound.

Maple Springs Baptist Bible College and Seminary (MSBBCS) is an exempt religious school operating in the State of Maryland as specified in the Code of Maryland Regulations 13B.02.04. MSBBCS grants the following religious degrees: the Certificate in Biblical Studies, Associate of Arts in Biblical Studies, the Bachelor of Arts in Biblical Studies, the Bachelor of Arts in Biblical Studies with emphasis in Pastoral Ministries or Church Administration, the Master of Arts in Biblical Studies, the Master of Arts in Biblical Studies with emphasis in Old Testament or New Testament, the Master of Arts in Christian Counseling, the Master of Arts in Church Administration, the Master of Divinity with emphasis in Church Administration, Christian Counseling, New Testament or Old Testament, and the Doctor of Ministry with emphasis in Pastoral Ministries or Christian Counseling.

STATEMENT OF PHILOSOPHY

The programs and curricula of Maple Springs Baptist Bible College and Seminary are built upon the biblical framework that emphasizes the special creation and sovereign control of all things by the Lord Jesus Christ (Colossians 1:16-20), recognizing that all knowledge centers in Him (Colossians 1:10, 2:3, 2:8-10).

The College rejects the evolutionary philosophy, which has been very dominant in the past century, with the conviction that evolutionary humanism is false scientifically and biblically.

The Bible is the heart of the curriculum in contrast to a program that is essentially philosophical or sociological. The Maple Springs Baptist Bible College maintains the dispensational approach to the Scriptures, teaches the pretribulational rapture of the church, the premillennial return of the Lord, and interprets the Old Testament prophecies concerning Israel, the tribulation period and the millennial kingdom of Christ literally.

The basic outlook of the Bible College is evangelistic. A world vision is the goal of every class while a missionary emphasis is the underlying objective of each professor. The aim in all curricula is not to provide a secular education in a Christian environment but rather to develop every course within a consistently biblical philosophy. The philosophy of MSBBC is to provide quality education while meeting the needs of men and women who are either currently involved in Christian service or desire to be better prepared to serve our Lord. To implement this philosophy, the Bible College awards the following certificates and degrees to those individuals who successfully complete the prescribed programs of study:

Certificate in Biblical Studies (CERT)
Certificate in Ordination Preparation (CORD)
Associate of Arts Degree in Biblical Studies (AABS)
Bachelor of Arts Degree in Biblical Studies (BABS)

GOVERNANCE

An administrative staff, with an elected Board of Trustees operates the Maple Springs Baptist Bible College and Seminary. The Bible College does not desire to be guided or dominated by any other than God the Father, God the Son, and God the Holy Spirit; it believes the route of independence, under the leadership of the Lord Jesus Christ, is the best way. The Bible College is supported by the Maple Springs Baptist Church and through gifts of churches, friends and tuition. The programs offered are primarily intended to serve the Christian community; however, others who pursue these studies would benefit as well.

The governance of the Bible College includes collegial input from the faculty and the students. The faculty's official organ for participation in governance of the College is through the faculty Senate. The body consists of all core faculty members and is organized into several committees and sub units. Through the Student government association, students impact directly on matters of governance through providing recommendations to the administration. In all cases final decision-making is the responsibility of the administration within the broad policies established by the Board of Trustees. The administration considers recommendations from the faculty, staff, and students in making governance decisions. On matters of academic impact, the recommendation of the faculty, through its governance organ, shall be factored into the decision made by the administration.

DOCTRINAL POSITION

All faculty, administrative staff, and members of the Board of Trustees subscribe to and sign annually to the following statement of doctrine. Each student must read, understand, and respect the doctrinal statement and the Standards of Conduct. The College trains students for the ministry within a particular doctrinal framework. Therefore, it is to be understood and respected by those who are to be graduated.

DOCTRINAL STATEMENT

SECTION 1. The Scriptures.

We believe in the plenary, verbal inspiration of the original writings of the sixty-six books of the Bible, the Word of God, and that it is the full and complete revelation of God's will for man, the supreme and final authority in all matters of faith and practice (II Timothy 3:16,17; II Peter 1:20,21; Jude 3).

SECTION 2. The Godhead.

We believe in one God, eternally existing in three Persons, Father, Son and Holy Spirit, co-eternal in being, co-identical in nature, co-equal in power and glory, and having the same attributes and perfections (Deuteronomy 6:4; II Corinthians 13:14; Matthew 28:18,19).

SECTION 3. The Person and Work of Christ.

- A. We believe that the Lord Jesus Christ, the eternal Son of God, became man, without ceasing to be God, having been conceived by the Holy Spirit and born of the Virgin Mary that He might reveal God and redeem sinful men (John 1:1,2,14,18; Luke 1:35).
- B. We believe that the Lord Jesus Christ accomplished our complete redemption through His death on the cross as a representative, propitiatory, and substitutional sacrifice, a redemption made sure to us by His literal, physical resurrection from the dead (Romans 3:24,25; 5:8-10; I Peter 2:24; Ephesians 1:7).

- C. We believe that the Lord Jesus Christ ascended into heaven and is now exalted at the right hand of God the Father where, as our High Priest, He fulfills the ministry of Representative, Intercessor and Advocate (Acts 1:9 – 11; Romans 8:34; I Timothy 2:5; Hebrews 1:3; 6:19, 20; 7:24, 25; 9:24; I John 2:1, 2).

SECTION 4. The Person and Work of the Holy Spirit.

- A. We believe that the Holy Spirit is a divine person, possessing all the attributes of deity; and that; in essence, He is equally God (Acts 5:3, 4; II Corinthians 13:14).
- B. We believe that the Holy Spirit is the Supernatural Agent in regeneration and sanctification, baptizing all believers into the body of Christ, indwelling equally and permanently with every believer, and sealing them unto the day of redemption (Romans 8:9; I Corinthians 6:11; 12:12-14; Ephesians 1:13,14; 4:30).
- C. We believe that every unregenerate person, the moment he exercises faith in Christ as Savior, immediately possesses the Holy Spirit (Romans 8:9; I Corinthians 3:16; 6:19; Galatians 4:6; I Thessalonians 4:8).
- D. We believe that He is the Divine Teacher who guides believers into all truth; that He sovereignly bestows spiritual gifts upon each believer; and that it is the privilege and duty of all the saved to be filled (controlled) with the Spirit (John 16:13; I Corinthians 12:4 – 7; Ephesians 5:18).

SECTION 5. The Total Depravity of Man.

We believe that man was created in the image and likeness of God but through Adam's sin the whole race fell, became alienated from God and inherited a sin nature, is totally depraved, possesses no spark of divine life, and of himself, is utterly helpless to remedy his lost condition apart from the grace of God (Genesis 1:25 – 27; Romans 3:22, 23; 5:12; Ephesians 2:1 – 3, 12).

SECTION 6. Salvation.

We believe that salvation is the gift of God brought to sinful man by grace and received solely by personal faith in the Lord Jesus Christ who accomplished complete redemption by His substitutionary death and shedding of His precious blood (John 3:18; Galatians 2:16; Ephesians 1:7; 2:8, 9; Philippians 3:4 – 9 ; Titus 3:5; I Peter 1:18, 19).

SECTION 7. Sanctification.

We believe that sanctification is a setting apart unto God (John 17:17, 19). It consists of three steps in the believer's life:

- A. Positional: Every believer, by his being "in Christ" and partaking of all He is, has a complete standing before God (I Corinthians 1:2, 30; 6:11; Hebrews 10:10, 14).
- B. Progressive: Yet every believer, because he retains a sin nature which cannot be changed nor eradicated in this life, lives in a present state that is imperfect to the extent that he fails to appropriate the power of the Holy Spirit by which to live the Christian life, and therefore, he is in need of a progressive sanctification by growing in grace unto spiritual maturity (II Corinthians 3:18; 7:1; Ephesians 4:24; Hebrews 12:10).

- C. **Ultimate:** Every believer will be fully and completely sanctified when he shall see the Lord and shall be like Him (Romans 8:29; Ephesians 5:25 – 27; II Corinthians 3:18; I John 3:2).

SECTION 8. The Comfort of the Believer.

- A. We believe, because of the eternal purpose of God, because of the nature of the Word and promise of God, and because of the immutability of the covenants of God, that all the redeemed of God are indwelt by the Holy Spirit, and interceded for by Christ, and therefore secure in Christ forever (John 6:37 – 40; 10:27 – 30; 17:11; Romans 8:1, 19, 30, 38, 39; I Corinthians 1:4 – 8; II Timothy 1:12; I Peter 1:5; Jude 24).
- B. We believe that God, as a Holy and Righteous Father of all the redeemed, cannot overlook the sin of His children, and when they persistently sin, will chasten and correct them in infinite love (I Corinthians 11:27 – 32; Hebrews 12:5 – 11).
- C. We believe that it is the universal privilege of believers to rejoice in the assurance of their salvation through the testimony of God's Word: which truth excites within His children filial love, gratitude and obedience (I John 5:10–13; 3:14; II Corinthians 5:6–8; Romans 13:13, 14; Galatians 5:13; Titus 2:11–15).

SECTION 9. The Church.

- A. We believe that the universal church, which is the body and the bride of Christ, is a spiritual organism made up of all born-again persons of the present age which began at Pentecost and shall be terminated at the rapture (Ephesians 1:22, 23; I Corinthians 12:12–14; Romans 12:5; Matthew 16:16–18; Acts 2:42–47).
- B. We believe that the establishment and continuance of the local church is clearly taught and defined in the New Testament Scriptures, being composed solely of believers (Acts 14:27; 20:17, 20:28 – 32; Timothy 3:1 – 13; Titus 1:5 – 11). These churches worship on the first day of the week, the Lord's Day (John 20:19, 26; Acts 20:7; I Corinthians 16:1, 2; Hebrews 10:25).
- C. We believe baptism by immersion should precede local church membership (Acts 8:35 – 38).

SECTION 10. The Ministry and Spiritual Gifts.

- A. We believe that God is sovereign in the bestowment of all His gifts; and, that the gifts of evangelist, pastor-teacher are sufficient for the perfecting of the saints today (I Corinthians 12:4 – 11; II Corinthians 12:12; Ephesians 4:7 – 12; I Corinthians 13:8).
- B. We believe that every believer possesses a spiritual gift for the edification of the body of Christ (I Corinthians 12:20 – 27; Ephesians 4:12).

SECTION 11. Christian Walk.

- A. We believe that every saved person possesses two natures, and that all claims to the eradication of the old nature in this life are unscriptural (Romans 7:1 – 13; Colossians 3:10; I Peter 1:14 – 16).
- B. We believe that the Christian life consists of a positive abiding in union with the living Christ and by living in the power of the indwelling Spirit with the living Christ, and by living in the power of the indwelling Spirit so that the fruit of the Spirit is produced in the life in contrast to lusts of the flesh (John 15:1 – 16; Galatians 5:16 – 23; Ephesians 4:22 – 24).
- C. We believe that all the saved should live in such a manner as not to bring reproach upon their Savior and

Lord; that separation from all religious apostasy, all worldly and sinful pleasures, practices and associations is commanded of God (Romans 12:1, 2; 14:13, 21; II Corinthians 6:14 – 7:1; II Timothy 3:1 – 5; I John 2:15 – 17; II John 9 – 11).

- D. We believe that every believer should be a faithful steward of all his substance for the furtherance of the Gospel at home and abroad (II Corinthians 9:6 – 8; 16:2).

SECTION 12. The Great Commission.

We believe that it is the obligation of all believers to witness by life and by word to the truths of the Holy Scripture and seek to proclaim the Gospel to all mankind (Matthew 28:18 – 20; Mark 16:15; Acts 1:8; II Corinthians 5:19, 20; Romans 10:11 – 17).

SECTION 13. Dispensations.

We believe in the dispensational approach to Scripture and that God, in His progressive revelation, has entrusted man with varying responsibilities in successive periods. These dispensations are divine testing periods in which the failure of man is consistently seen. Although these dispensations span the history of mankind, seven are the subject of extended revelation in Scripture, viz.: the dispensation of God's dealing with the human family in the ages of Innocence, Conscience, Human Government, Promise, Law, Grace and the coming age of the Kingdom. Likewise, we reject that teaching known as "Ultradispensationalism" which opposes either the Lord's table or water baptism as church ordinances for the dispensation of the church (Isaiah 61:1,2; Luke 4:16 – 21; I Corinthians 9:17; Ephesians 1:10; 3:2, 9; A.S.V. Colossians 1:25; A.V.S. I Timothy 1:4).

SECTION 14. The Personality of Satan.

We believe that Satan is a personal being, the highest rank of all angelic creatures; that through pride, thereby becoming the author of sin and the cause of the fall of man; that he is the open and declared enemy of God and man; and, that he shall be eternally punished in the Lake of Fire (Genesis 3:1 – 19; Isaiah 14:12 – 17; Matthew 4:21; 25:41; Revelation 20:10).

SECTION 15. The Blessed Hope.

We believe that the next great event in the fulfillment of prophecy will be the imminent, personal, pre-tribulation return of the Lord in the air to receive to Himself into heaven both His own who are alive and remain unto His coming and also all who have fallen asleep in Him. This event is the blessed hope set before us in Scripture, and for this we should be constantly looking (John 14:1 – 3; I Corinthians 15:51, 52; Philippians 3:20; I Thessalonians 4:13 – 18; Titus 2:11 – 14; I Thessalonians 1:10; Revelation 3:10).

SECTION 16. The Tribulation.

We believe that the translation of the church will be followed by the fulfillment of Israel's seventieth week (Daniel 9:27; Revelation 6:1 – 19, 21) during which the church, the body of Christ, will be in heaven. This entire period of seven years will be a time of judgment on the whole earth, at the end of which, the times of the Gentiles will be brought to a close. The latter half of this period will be the time of Jacob's trouble (Jeremiah 30:7), which our Lord called the great tribulation (Matthew 24:15 – 21; Revelation 6:1; 19:21).

SECTION 17. The Second Coming of Christ

We believe that the period of great tribulation will be climaxed by the return of the Lord Jesus Christ to earth as He went, in person, on the clouds of heaven, and with great glory to introduce the millennial age, to bind Satan and place him in the abyss, to lift the curse which now rests on the whole creation, to restore Israel to her own land and to give her the realization of God's covenant promises, and to bring the whole world to the knowledge of God (Deuteronomy 30:1 – 10; Isaiah 11:4 – 9; Ezekiel 37:21 – 28; Zechariah 14:4; Romans 8:19 – 23; 11:25 – 27; Revelation 20:1 – 3).

SECTION 18. The Eternal State.

- A. We believe in the bodily resurrection of all men, the saved to eternal life, and the unsaved to judgment and everlasting punishment (Matthew 25:46; John 5:28, 29; 11:25, 26; Revelation 20:5, 6, 12, 13).
- B. We believe that the souls of the redeemed are, at death, absent from the body and present with the Lord, where in conscious bliss they await the first resurrection, when spirit, soul and body are reunited to be glorified forever with the Lord (Luke 23:43; II Corinthians 5:8; Philippians 1:23; 3:21; I Thessalonians 4:16, 17; Revelation 20:4 – 6).
- C. We believe that the souls of unbelievers remain after death, in conscious misery until the second resurrection, when with soul and body reunited they shall appear at the Great White Throne Judgment, and shall be cast into the Lake of Fire, not to be annihilated, but to suffer everlasting, conscious punishment (Matthew 25:41 – 46; Mark 9:43 – 48; Luke 16:19 – 26; II Thessalonians 1:7 – 9; Jude 6,7; Revelation 20:11 – 15).

SECTION 19. The Historicity of the Bible.

We believe in the full historicity and perspicuity of the Biblical record of primeval history, including the literal existence of Adam and Eve as the progenitors of all people, the literal fall and resultant divine curse on creation, the worldwide cataclysmic deluge, and the origin of nations and languages at the tower of Babel (Gen. 2:7; 2:21 – 25; 3:1 – 7; 3:8 – 19; 7:11 – 24; 11:1 – 9).

SECTION 20. The Creation.

We believe in the Genesis account of Creation, and that it is to be accepted literally, not allegorically nor figuratively; that man was created directly in God's own image and after His own likeness; that man's creation was not a matter of evolution or evolutionary change of species, or developments through interminable periods of time from lower to higher forms; that all animals and vegetable life were made directly, and God's established law was that they should bring forth only "after their kind" (Gen. 1:1 – 2:25; Ps. 8:5; John 1:2 – 3).

Student Policies and Procedures

GENERAL POLICIES GOVERNING STUDENTS

The right of sharing in the privileges of the MSBBC&S community involves corresponding responsibilities. These include the recognition of the authority of the administration and faculty of MSBBC&S and the Board of Trustees of MSBBC&S over all procedures, policies and guidelines in governing the college.

MSBBC&S seeks to maintain high standards of integrity in academic work, in ministry, and in community relationships. These standards of integrity are expected to be met by students, faculty, and staff and are stated here for self-discipline and support by all members of the college community. Each of us may expect from the other absolute honesty in all relationships, responsibilities, and tasks; integrity and good stewardship in all financial obligations and dealings; conscientious concern for each other in matters of personal habits, attitudes, and actions; demonstration of a spirit which recognizes the Lordship of Christ and expresses the biblical concept of love for God and man; a caring attitude toward others; an appreciation of the facilities of MSBBC&S and a custodial concern for maintaining both its natural and physical facilities.

The maintenance of appropriate personal standards, while members of the community, is expected. The use of alcohol, tobacco and non-prescription drugs on campus is not permitted. MSBBC&S also believes that the biblical standards for human sexuality clearly prescribe a heterosexual relationship within the context of marriage, or sexual chastity for those who are single. Students are expected to conform to these standards and give clear evidence of their Christian life and character so as to commend the Gospel, strengthen the church and honor the Lord.

Evidence of conspicuous or persistent failures in moral responsibility will lead to disciplinary action, which may result in suspension or dismissal from the faculty, staff or student body. Specifics for faculty are outlined in the Faculty Handbook, and details for students are given on the following page.

STUDENT PLEDGE TO THE STANDARDS OF CONDUCT

I understand that my preparation for Christian work requires my personal commitment to the Lord Jesus and separation from sin. I further realize that as a MSBBC&S student, I represent the Lord Jesus Christ as well as the College and Seminary. I am aware that the Scriptures prohibit sins (i.e., stealing, sexual immorality, occult practices and cheating) and attitudes (i.e., pride, lust, bitterness, harmful discrimination, jealousy and an unforgiving spirit) which are to be avoided. In addition, I understand that certain types of activities are questionable and I will avoid those activities as determined by the College and Seminary for testimony's sake. As a member of the MSBBC&S family, I pledge myself, therefore, without reservation to these lifestyle commitments:

1. To recognize the authority of the administration and faculty of MSBBC&S and the Board of Trustees of MSBBC&S over all procedures, policies and guidelines in governing the College and Seminary;
2. To be honest in all relationships, responsibilities, and tasks;
3. To demonstrate integrity and good stewardship in all financial obligations and dealings;
4. To demonstrate conscientious concern for others in matters of personal habits, attitudes, and actions;
5. To demonstrate a spirit, which recognizes the Lordship of Christ and expresses the biblical concept of love for God and man;
6. To submit to the authority of the Scriptures in matters of faith and conduct and to the control of the Holy Spirit;
7. To actively support the cause of Christ and to endeavor to win others to faith in Him;
8. To respect the interdenominational character of MSBBC&S by refraining from propagating potentially divisive doctrines;
9. To use wisdom in selection of media (radio, television, recordings, various forms of literature and films) recognizing that many performances and publications are not edifying and tend to defile the mind (e.g., questionable music);
10. To demonstrate a caring attitude toward others;
11. To appreciate the facilities of MSBBC&S and have a custodial concern for maintaining both its natural and physical facilities;
12. To dress appropriately and in good taste at all times;
13. To abstain from the sale and use of alcohol, tobacco and illegal drugs;
14. To refrain from gambling and social dancing, and attendance at night clubs, bars, and similar places;
15. To ascribe to the biblical standards for human sexuality of heterosexual relationships within the context of marriage, or sexual chastity for those who are single.

I understand that the **STANDARDS OF CONDUCT** are to guide my behavior on and off the campus for the time I am enrolled in MSBBC&S. While it is recognized that personal preferences differ and that every member of the College and Seminary community might not agree with every detail of these standards, I must honorably adhere to them. Such an attitude on my part is a way I can develop Christian discipline, exhibit Christian maturity and demonstrate the love of Christ in concern both for the integrity of the College and Seminary itself, as well as for the personal welfare of other believers. Further, I understand that failure to cooperate in maintaining the Standards will lead to appropriate disciplinary action and/or possible dismissal.

In considering applications, the Admissions Board reviews the applicant's complete academic record, recommendations and personal information. If the applicant meets the required standards, he will be admitted to MSBBC on a semester-to-semester basis.

A certificate or degree from MSBBC&S is not an indication that MSBBC&S is recommending the student for licensing or ordination. Each ecclesiastical denominational organization has its own set of guidelines for licensing and ordaining its ministers.

When the necessary information and fees have been received, the Admissions Committee will take action on the application. The applicant will be notified of the decision of the Committee.

Audited courses will be recorded on the official transcript. Abbreviated admissions credentials are required of those students who are only auditing courses.

TRANSFER STUDENTS

Students desiring to transfer to Maple Springs Baptist Bible College and Seminary (MSBBC&S) from other Bible institutes, colleges, and universities, must follow all the steps outlined above when applying for admission. MSBBC&S accepts the transfer of undergraduate and graduate credits from institutions of higher learning that are accredited by U.S. Department of Education approved accrediting agencies.

However, each course is individually evaluated before acceptance to ensure that it meets the requirements of similar offerings at MSBBC&S. The decision to accept or reject transfer of credits rest solely with MSBBC&S. In order for credits to be considered for transference, in addition to the high school record, the student should request the registrar of each college attended since high school graduation to send an official transcript (certified and sealed) of his/her college level work directly to the Office of the Director of Records and Admissions of MSBBC&S.

The final decision on transferring credits will be made, put in writing, and sent to the registrar for inclusion in the student's folder. The registrar will then give the student a timely response as to the acceptance/rejection of transfer of credits. Once the registrar receives the certified transcript, he/she will forward it to the Dean who will work closely with the members of the appropriate department in making the final decision on transfer of credits. Only work completed with a "C" or better is transferable.

The transfer student should note that every student receiving a degree from MSBBC&S, regardless of the number of transfer credits must complete 30 of the last 36 semester hours in residency.

TESTING PROGRAMS

All applicants to the College are required to take placement tests in Math and English. Students whose scores are not acceptable will be required to complete Math and English fundamental course work prior to enrolling in college level English and Math courses.

All students enrolled in the College will be required to take a battery of Bible content tests developed by the American Association of Bible Colleges upon entering the College as well as exiting the College as graduates.

All applicants for graduate degrees at the Seminary must take a comprehensive examination. This applies to all master degree programs as well as doctoral degree programs. Of necessity, the complexity of the doctoral comprehensive examinations is greater than for the master degree examinations.

These examinations are given to achieve the following results:

- 1) Focus the candidate's attention on and direct his energy toward the academic issues within his discipline or area or emphasis.
- 2) Provide the Institution with information on the degree to which the candidates have achieved the body of knowledge which the curriculum was intended to deliver.

Though the doctoral comprehensive is more complex than the masters' comprehensive, both of these examinations test the candidate on general and broad based issues related to his discipline(s) or area of emphasis.

CLASS OFFERINGS

Maple Springs Bible College and Seminary offers day (Saturday), and evening classes on a seasonal semester system.

REGISTRATION & ENROLLMENT

The Office of Records and Admissions is primarily responsible for maintaining an accurate and complete record of a student's academic status. It is also responsible for preparing transcripts, certificates, and class rosters.

The Office of Records and Admissions will announce all necessary information in time to permit students to prepare for registration. All students must register for class during the period(s) announced in the official College and Seminary calendar. The Academic Calendar is available at least 30 days prior to the beginning of the Fall Semester. Students who fail to register will not be permitted to attend classes and their names will not appear on official class rosters.

All students are required to register **in person** during the scheduled times. Late registration will take place on a specific date. See Academic Calendar for details. Undergraduate students will not be permitted to enroll in graduate courses.

Classes with insufficient enrollment may be canceled. Students will be given an opportunity to enroll in another course.

Students will receive a copy of the syllabus and course outline on the first day of class.

Students are not officially registered until arrangements for paying all charges for tuition, fees, previous balances, etc. have been made. Students who fail to register during the initial three day registration days will be assessed a late fee.

Changes in address, telephone number, or any other information supplied to the college should be reported to the Director of Records and Admissions on the official Change of Student Information form as soon as possible after they occur.

READMISSION

The appropriate fee (see page 72 for Tuition & Fees) must accompany the readmission application.

Those who have been dismissed from the College for academic reasons are readmitted on a case-by-case basis. The Admissions Committee, which takes into consideration the following criteria, makes such decisions (1) a "Statement of Intent" filed by the student, which indicates a renewed commitment and desire to pursue studies.

Attendance at Maple Springs Baptist Bible College and Seminary is a privilege and not a right. The Administration reserves the right to dismiss any student who does not comply with the purposes, requirements, and regulations of the College.

Academic Information

GENERAL

MSBBC&S is primarily an evening college designed to serve full-time Christian workers and others who have full-time jobs during the day. Therefore, MSBBC&S offers most of its curriculum during evening hours. All certificates, diplomas, and degrees are earned primarily through the evening programs.

Although MSBBC&S is primarily an evening college, several classes are offered on Saturday during the day.

Evening classes are held Monday through Friday evenings. The entire cycle of courses is offered over a six-year period.

The regular academic year programs at MSBBC&S are comprised of two semesters, 16 weeks each. Summer school is eight weeks.

DEFINITIONS OF TERMS USED IN DESCRIBING THE ACADEMIC PROGRAM

Credit Hour -- All scholastic work is measured according to the semester credit hour. This is the equivalent of one class of 50 minutes per week (plus preparation) or two laboratory hours per week (plus preparation) for 16 weeks. The "credit hour" is sometimes referred to as a "semester hour."

Curriculum -- The pattern of courses leading to a specific educational objective. These are required sequential offerings, which meet an educational objective.

Electives -- Courses, which may be chosen voluntarily by a student to contribute to a balanced program of education within his or her chosen curriculum or area of emphasis.

Grade-Point Average [GPA] -- The GPA is the average determined by dividing a student's total quality points by the total number of semester hours of credit that he or she has attempted. Quality points for one course are computed by multiplying the number of credit hours for a course by the student's grade as measured on a four-point scale. The total quality points earned by a student are computed by adding together the quality points in each of the courses attempted.

Prerequisite -- A course, which must be completed prior to admission into another course.

Student Classification -- Division of students into classes based on the number of credit hours completed.

Transfer of Credit -- Applying credit hours earned at one educational institution to the completion of an academic program at another institution. The rule which applies to most transfers is that the grade earned in a transferred course must be "C" or above, and the course must be similar to a course offered in the College to which the transfer is made.

CURRICULUM PHILOSOPHY

MSBBC&S degree programs are structured to give every student a thorough background in Bible and doctrine. Thus, every student regardless of area of concentration is a Bible major.

The curriculum also provides students with a complimentary foundation in general education in order that they might have a comprehension of the history, language, thought, and expression of past and present world cultures. All of this is designed to assist students to develop a truly biblical world and life view.

CURRICULUM DEPARTMENTS

The academic area of the College is organized according to the following departments:

Department of Church Vocations

- Pastoral Ministries
- Church Administration

Department of General Education

Department of Bible and Theology

Programs of Study

Maple Springs Baptist Bible College and Seminary has developed its courses in order to prepare a student "in ministry" or "for ministry" in a local, aggressive, soul-winning church, as well as other forms of Christian work and ministry. With a balanced emphasis between Biblical and theological subjects, general education requirements, and a major area of concentration, the student's entire college education will be functional and practical. From the layperson who wants a one-year basic Christian education program to the student who wants to prepare for a career in the local church or a Christian school, MSBBC&S has a curriculum to satisfy that need.

The Certificate in Biblical Studies

For these students, the Bible College offers the Certificate in Biblical Studies upon completion of 30 semester hours of class work in residence.

**The Associate in Arts Degree in Biblical Studies (A.A.B.S.)
(60 credit hour program)**

The two-year Associate in Arts degree has become one of the most recognized credentials for college level work, less than a four-year Bachelor's degree program. The Bible College is honored to offer this degree in Biblical Studies. This **60** credit-hour program is designed to undergird the students in the fundamentals of Christian faith and to stimulate them to evaluate knowledge in the light of scriptural truth. Upon completion of this two-year program, students may go on to earn a B.A. at MSBBC&S, transfer to other institutions or enter into church-related ministries as biblically-oriented lay persons. Students who earn the A.A. degree and transfer to other institutions are advised to obtain advanced approval in writing from the college to which they plan to transfer the credits.

Academic Policies

CLASSIFICATION OF STUDENTS

The student body is divided academically into four classes: freshman, sophomore, junior and senior. Students are classified academically on the following basis:

Freshman -	Less than 30 semester hours
Sophomore -	Completion of at least 30 semester hours
Junior -	Completion of at least 60 semester hours
Senior -	Completion of at least 90 semester hours
Full-time Students -	Those carrying 12 or more semester hours
Part-time Students -	Those carrying less than 12 hours
Probationary Students -	Those whose academic loads have been reduced because of a deficient grade-point average

COURSES AND CREDITS

Course content is based on textbook materials, an analysis of material in each chapter, and material presented by the teacher in class. Grades are based on collateral reading, written reports, and examinations in the form of objective, multiple choice, and essay questions. The student is expected not only to acquire and recall facts, but also to relate those facts to personal experiences and Christian responsibilities.

ADD/DROP POLICY

Students may **add** or **drop** a course(s) using the official add/drop form during the first two weeks of classes without academic penalty. Any student who drops a course without using the official add/drop form will receive a permanent grade of "F" for the course. The procedure for adding or dropping courses is as follows:

1. Secure Add/Drop form from the Director of Records and Admissions' Office.
2. Secure Advisor's approval on the Add/Drop form.
3. Return Add/Drop form to the Director of Records and Admissions' Office.

WITHDRAWAL FROM A COURSE

Students who withdraw after the first two weeks of class will receive a grade of "W" which has no grade point value. Mere absence from class does not constitute withdrawal. An official request to withdraw from a course must be executed through the Office of Records and Admissions. Students will receive a failing grade for courses in which they did not officially withdraw.

WITHDRAWAL FROM THE COLLEGE OR SEMINARY

A student who wishes to terminate enrollment with the College or Seminary must file, with the Director of Records and Admissions, a notice of intent to withdraw. A student may withdraw from the Seminary/College (all classes in which they are enrolled) up to and including the last day of classes prior to the beginning of the final examination period. If a student leaves the College or Seminary, and fails to withdraw officially from all classes in which they are enrolled, it will result in an "F" grade on the student's permanent record for each class. Hence, faculty members cannot officially withdraw, add, or drop a student from a course or the Institution. **A student who withdraws from the College or Seminary and who later wishes to re-enroll must submit a re-admission application along with the appropriate fee.**

A student must clear all financial obligations prior to the withdrawal.

A student may request a leave of absence for a semester or up to one year. All requests must be in writing and submitted to the Vice President for Academic Affairs for approval.

CHANGE DEGREE

Students desiring to change their current program of Study must submit their request using the Change of Degree Program form. All changes in degree programs must be coordinated with the student's advisor or the appropriate dean. **Note students who have completed a degree program and wish to seek another degree must fill out a new admissions application and pay the appropriate fee.**

EXAMINATIONS

Examinations taken other than at their regularly scheduled time, either early or late, impose an added burden on the faculty. Any student desiring to take an examination off of schedule must obtain the permission of the professor and may be subject to a fee per examination.

CHANGE OF GRADE AND GRADE OF INCOMPLETE

Students who believe that a grade has been issued in error must contact the instructor. In the event that a grade is to be changed, the instructor will submit a Change of Grade Form to the Office of the Director of Records and Admissions.

A grade of "I" is awarded if a student has not completed required course assignments and is passing the course at the end of the term. A student has one term exclusive of "summer" to complete the required work. If required work is not completed in the next consecutive term, the grade will default to an "F."

GRADE POINT SYSTEM

Graduation from the College is based not only upon the accumulation of credit hours earned. A semester credit hour is earned by completing one 50-minute period of class per week for one semester, which is 15 weeks. The quality points of the grade earned in the course are multiplied by the credit value for each course. The sum is divided by the total number of credits for which the student was enrolled. The resulting number is the GPA (grade point average). The student's cumulative grade point average (GPA) is based on the sum of all quality points earned by the sum of all quality hours attempted. The College follows a 4.0 grade point system and requires a 2.2 GPA for graduation, as shown in the Graduate Catalog page 55.

GRADING SYSTEM

The following criteria are used at MSBBC&S in assigning letter grades:

- "A" Designates outstanding work: superior achievement of course objectives;
- "B" Designates good work: commendable achievement of course objectives;
- "C" Designates acceptable work: satisfactory achievement of course objectives;
- "D" Designates minimal work: marginal achievement of course objectives;
- "F" Designates failure: unacceptable work.

The following grade points are assigned to letter grades, given on a "plus/minus" system:

Grade		Grade points per Semester hour	
A	95 – 100	Excellent	4.0
A –	93 – 94		3.7
B+	90 – 92	Good	3.3
B	87 – 89		3.0
B –	85 – 86		2.7
C+	82 – 84	Average	2.3
C	79 – 81		2.0
C –	74 – 78		1.7
D+	72 – 73	Poor	1.3
D	69 – 71		1.0
D –	64 – 68		0.7
F	Below 64	Failure - Course must be repeated	0

The following grades and notations are also used in the grading system of the Bible College:

AU	Audit:	Indicates that the student registered for the class on an audit basis; normally indicates regular attendance in class and participation in discussion although not enrolled for credit. Since no grade is assigned, grade points and hours are not accumulated for courses audited.
I	Incomplete:	Represents a minimum of 70 percent of course work completed and the student is passing the course at the end of the term.
S	Satisfactory:	Represents successful completion of a course offered on a no credit basis.
U	Unsatisfactory:	Represents failure to complete a course offered on a no credit basis. Course must be repeated.
W	Withdrawal	Withdrawal from a course.

GRADE REPORTS

Grade reports are issued at the end of the semester. In compliance with Federal Statute, Public Law 93-380, cited as the Educational Amendments of 1974, Section 438, Protection of the Rights and Privacy of Parents and Students, all reports of grades are mailed to the student at the address indicated on the Admission Application. Errors on the grade report other than grade errors should be reported to the Director of Records and Admissions' Office within two weeks of receiving the grade report. The student's copy of the grade report will be mailed within three weeks after the completion of the semester.

HONORS

Graduation honors will be granted to students who attain cumulative grade point averages as listed: *Summa Cum Laude*, 3.80; *Magna Cum Laude*, 3.60; *Cum Laude*, 3.2.

ACADEMIC PROBATION

The status of any student whose cumulative grade point average drops the standard ranges listed below is changed to probationary. Any probationary student who fails to raise his/her cumulative grade point average to the standard ranges listed below over the next two (2) semesters is ineligible for continued study in the degree program. The student may request permission to continue study as a special student.

The student who brings up his/her cumulative average to the standards listed below over the next two (2) semesters of work will be restored to regular status.

The student who fails to meet the above requirement will not be readmitted to the degree program. Any student who has a question about his/her status may appeal to the administration for reconsideration.

COMPLETION OF COURSEWORK

Each course must be completed before the official conclusion of each semester. Under unusual circumstances the student, in consultation with the course instructor, may be granted a two-week extension to complete course work. The student must initiate all such requests.

ACADEMIC STANDING

The student must maintain a grade point average based on the following earned semester hours.

Hours	Academic Warning	Academic Probation	Academic Dismissal
0 – 30	1.99 – 1.40	1.39 – 1.00	0.99 – 0.00
31 – 60	2.0 – 1.60	1.59 – 1.30	1.29 – 0.00
61 – 90	2.1 – 1.80	1.79 – 1.55	1.54 – 0.00
91 – 132	2.1 – 1.81	1.80 – 1.55	1.54 – 0.00

1. **Good Academic Standing** – A Student is considered to be in “Good Academic Standing” When a GPA of 2.0 is maintained.
2. **Academic Warning** - An academic warning notice will be placed on the student's semester grade report that his/her academic performance is below the standard ranges listed above.
3. **Academic Probation** - An academic probation notice will be placed on the student's semester grade report that his/her academic performance is below the standard ranges listed above.
4. **Academic Dismissal** - The student should expect to be dismissed from MSBBC&S when cumulative GPA falls in the ranges listed above. Students dismissed for low academic achievement may appeal the decision to the Committee of Academic Affairs or they may reapply for admission after a period of one academic year. Applicants for readmission need to supply evidence of successful work or course experience since the time of dismissal and submit a plan for successful completion of course work in the future at MSBBC.

ACADEMIC LOAD

In determining the academic load to be carried, students must use self-discipline and good judgment based on their previous academic records.

COURSE LOAD LIMITATIONS

A full-time undergraduate is any undergraduate student enrolled in twelve (12) or more hours during any one semester. Students who desire to take more than fifteen (15) credit hours must obtain the approval of the College Dean. Only students in good academic standing will be approved to carry more than fifteen (15) credits during any one semester. No student will be approved for more than eighteen (18) hours during any one semester.

ABSENCES

1. Class attendance is of paramount importance and excessive absences will affect the final grade. Each student is permitted to be absent from class two periods per semester without penalty.
Note: Two tardies is equivalent to one absence.
2. After 20% absence, the student normally receives an "F".

COURSE CANCELLATIONS

Although the College will endeavor to hold all courses scheduled, it reserves the right to cancel any course due to insufficient enrollment.

TRANSCRIPTS

Student transcripts are kept on file in the Director of Records and Admissions' Office. A copy of the transcript includes only the academic record accumulated by Maple Springs Baptist Bible College. The first copy of the transcript is provided to the student at no cost. Thereafter, a fee is charged for each transcript payable in advance. Money orders should be made payable to Maple Springs Baptist Bible College and Seminary. Copies of transcripts furnished from other institutions become the property of MSBBC&S and will not be furnished for other purposes. All transcript requests must be made by students and must be in writing. Transcripts will not be issued for students who have outstanding fees, fines, library books and failure to complete admission requirements.

PRIVACY OF STUDENT'S RECORDS

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. The privacy of all student records is observed at MSBBC&S. No information may be released to the public without the consent of the student. Members of the administration, faculty or counseling staff may have access to student records and then only for educational, administrative or statistical purposes. Students have the right to file complaints with the Family Education Rights Privacy Act Office (FERPA) in Washington, D.C. concerning alleged failure by the College to comply with the Act.

GRADUATION REQUIREMENTS

Students who are in the College must graduate under the catalog of their original enrollment period unless there is a lapse of one academic year or more. In this case, the student will be expected to fulfill requirements of the catalog in effect at the beginning of the last continuous enrollment period prior to graduation. Student's who begin in one major and decide to change to another, will follow the catalog in effect at the time the change is approved. **SEE APPROPRIATE CATALOG FOR SPECIFIC GRADUATION AND CURRICULUM REQUIREMENTS.**

Students can only receive one degree per academic year.

FIELD EDUCATION

Students enrolled in the MSBBC&S for a certificate program and associate and bachelor's degree programs are required to participate in Christian service ministries for **each academic semester specified in the program of study**. The Christian service ministries may be performed in a local church or other appropriate institutions. The students will provide periodic reports of accomplishments and evaluations to their assigned advisor. All candidates for degrees must meet these requirements to graduate, even though credit hours are not given for these ministries.

Given its objectives, MSBBC&S will not overlook failures of personal integrity in matters of academic honesty among members of the college community and will deal with them in an effort to seek the interest of all concerned. Cheating on an exam shall result in a "zero" for the exam and an "F" for the course. Copying someone else's paper will result in a "zero" for the paper and an "F" for the course. Additionally, students may be placed on probation or suspension due to these violations.

Students who have not met, or made satisfactory arrangements to meet, all financial obligations to MSBBC&S, including library book returns and library fines will not be allowed to register for the next or any subsequent academic semester. No diploma, transcript, or letter of recommendation shall be granted, nor, actions taken in regard to placement, until such a time as these arrangements have been completed. **Course Substitutions-**

Any substitutions for, changes in, or exceptions to courses, which are required for the granting of a degree from Maple Springs Baptist Bible College and Seminary, must be approved by the Academic Dean of the College.

Directed Independent Research-

For students needing courses for which the demand is insufficient to justify a regular class, for students that have irreconcilable conflicts, and for students capable of completing additional independent work, provisions are commonly made by colleges under such headings as "directed reading," "directed research," or "directed independent study." At Maple Springs Baptist Bible College and Seminary the latter term is used. Directed independent study (DIS) is subject to three limitations: (1) all courses so taken must be individually approved by the Academic Dean. (2) Permission is not granted if the course is available in a regular class at a period open to the student; and (3) the consent of the instructor must be secured.

The tuition rate for DIS is the same as the regular tuition rate.

Assignments are made on the basis of 50 clock hours of study for each semester hour of credit granted, which means 150 hours of study for a three-credit course. The student is responsible for completing all requirements assigned by the instructor. The instructor will set due dates for all assignments.

Directed Independent Study is designed to meet a specific need in exceptional circumstances, and is not intended to have extended use.

With each course title in the Description of the Courses is a number and one or more letters in parenthesis. The number indicates the number of semester hours of credit and the letters indicate when the course is offered:

- F - Fall semester course
- S - Spring semester course
- SU - Summer session course
- A - Course offered on alternative years
- D - Course offered on demand

The College reserves the right to alter the schedule of courses as circumstances dictate.

Mission of the Office of Financial Aid

The mission of the Office of Financial Aid is to make an educational dream a reality by providing financial assistance to students who without such would not be able to attend the Institution and thus become Christ-centered leaders with the values, knowledge, and skills required to fulfill the Great Commission.

The Office of Financial Aid seeks to deliver effective and efficient service, in determining eligible financial need, packaging awards, and providing payments to student accounts.

- We strive to determine financial need according to federal regulations.
- We strive to award federal and non-federal aid in a manner consistent with all applicable guidelines.
- We seek to deliver service that is Christ-centered, friendly and courteous.
- We seek to be fair in our judgment of cases presented to us.
- We strive to be a support unit for the delivery of educational services offered by the Institution.
- We strive to instill hope in the educational futures of others and to be just in our dealings.

Financial Aid Philosophy

Because of its mission, the Institution believes that education is a continuous process which should be participated in by the masses, and therefore, believes that there should be no racial, sexual, economic, or condition of handicap barriers to higher education. In view of this commitment, our efforts to obtain funds to assist needy and worthy students are paramount and continuous.

The goal of our financial aid and scholarship programs, therefore, is to provide adequate financial assistance and scholarships for deserving and needy students who show evidence of academic desire, creative promise, and capability of complying with or maintaining satisfactory progress in their course of study at the Institution.

SATISFACTORY ACADEMIC PROGRESS

The Department of Education mandated development of standards of Satisfactory Academic Progress for students (graduate and undergraduate) to maintain or re-establish eligibility to receive Title IV student financial aid funds. Satisfactory Academic Progress is measured both by Cumulative Grade Point Average (Qualitative Measure) and Completion Rate (Quantitative Measure).

The qualitative component of Satisfactory Academic Progress (SAP) consists of maintaining a minimum cumulative grade point average (CGPA), of 2.0 to remain in good academic standing. The quantitative component consists of completing a program within the maximum allowable time frame. This time frame is one and one-half the program length measured in credit hours. The Rate of progress (ROP) is calculated by dividing the total number of successfully completed academic credits by the total number of attempted academic credits. A student who is meeting the standards for Satisfactory Academic Progress (SAP) is eligible to continue studying at Maple Springs Baptist Bible College and Seminary and to continue receiving Financial Aid.

The following chart describes the CGPA required of the student:

(1) **The GPA Measure:** the cumulative grade point average (GPA) must be equal to or greater than the corresponding grade point average based on the following earned semester hours.

Hours	Academic Warning	Academic Probation	Academic Dismissal
0 – 30	1.99 – 1.40	1.39 – 1.00	0.99 – 0.00
31 – 60	2.0 – 1.60	1.59 – 1.30	1.29 – 0.00
61 – 90	2.2 – 1.80	1.79 – 1.55	1.54 – 0.00
91 – 132	2.2 – 1.81	1.80 – 1.55	1.54 – 0.00

(2) **The Completion Rate Measure:** cumulative earned credits must be at least 75% of the cumulative attempted credits in order to graduate within 150% of the normal time frame.

Note: Grades of “W” and “I” and repeated courses will be included in attempted. This means that you must pass at least 3 out of every four courses that you attempt and that withdrawing from courses and repeating courses will have negative effects on your completion rate. A student’s maximum time allowed to complete his/her degree is six (6) years.

More specific requirements for meeting Satisfactory Academic Progress are outlined in the Student Handbook and Financial Aid Manual and will also be reviewed with the student receiving tuition assistance from the Office of Financial Aid via a student contract. The student must maintain both the qualitative and quantitative measures of Satisfactory Academic Progress in order to receive Title IV funds.

RETURN OF TITLE IV FUNDS

The Financial Aid Office is required by federal statute to recalculate federal financial aid eligibility for students who withdraw, drop out, are dismissed, or take a leave of absence prior to completing 60% of a payment period or term. The federal Title IV financial aid programs must be recalculated in these situations.

If a student leaves the institution prior to completing 60% of a payment period or term, the financial aid office recalculates eligibility for Title IV funds. Recalculation is based on the percentage of earned aid using the following Federal Return of Title IV funds formula:

Percentage of payment period or term completed = the number of days completed up to the withdrawal date divided by the total days in the payment period or term. (Any break of five days or more is not counted as part of the days in the term.) This percentage is also the percentage of earned aid.

Funds are returned to the appropriate federal program based on the percentage of unearned aid using the following formula: Aid to be returned = (100% of the aid that could be disbursed minus the percentage of earned aid) multiplied by the total amount of aid that could have been disbursed during the payment period or term.

If a student earned less aid than was disbursed, the institution would be required to return a portion of the funds and the student would be required to return a portion of the funds. Keep in mind that when Title IV funds are returned, the student borrower may owe a debit balance to the institution.

If a student earned more aid than was disbursed to him/her, the institution would owe the student a post-withdrawal disbursement which must be paid within 120 days of the student's withdrawal.

The institution must return the amount of Title IV funds for which it is responsible no later than 30 days after the date of the determination of the date of the student's withdrawal.

Refunds are allocated in the following order:

- Unsubsidized Federal Stafford Loans
- Subsidized Federal Stafford Loans
- Unsubsidized Direct Stafford Loans (other than PLUS loans)
- Subsidized Direct Stafford Loans
- Federal Perkins Loans
- Federal Parent (PLUS) Loans
- Direct PLUS Loans
- Federal Pell Grants for which a Return of funds is required
- Federal Supplemental Opportunity Grants for which a Return of funds is required
- Other assistance under this Title for which a Return of funds is required (e.g., LEAP)

STUDENT TUITION REBATE

A 25% tuition rebate on a maximum of two courses will be awarded to the spouse of a student carrying 9 or more hours. The discount is applied to the lower tuition rate.

WORK – AID

A limited number of work aid positions are available to eligible students. A 25% tuition rebate will be awarded to students who are approved by either the Executive Vice President or the Vice President for Finance and Administration and who work at the Institution for at least three (3) hours per week. Work aid students must be approved one semester prior to awarding of the tuition rebate and must have also worked one semester prior to the awarding of the tuition rebate. Preference is given to qualified students from Maple Springs Baptist Church. Either the Executive Vice President or designee must approve positions.

MAPLE SPRINGS BAPTIST CHURCH SCHOLARSHIP

A 25% per semester tuition rebate will be awarded to eligible Maple Springs Baptist Church members who are currently enrolled. The church establishes the criteria for eligibility. The Chair of the Finance Committee of Maple Springs Baptist Church administers this program.

SCHOLARSHIPS

A Limited number of scholarships have been made available through generous gifts from family, friends, churches and organizations.

The criteria for scholarship assistance will vary depending upon the particular scholarship. A student desiring scholarship assistance should make a formal application on a form, which may be obtained from the Business Office. The College and Seminary's Scholarship Committee, within guidelines established by the benefactors, make decisions concerning scholarship awards. All scholarship funds will be credited directly to the student's account.

General Expenses

In addition to academic fees, the student will have other expenses. These additional fees may include, but are not limited to classroom supplies and books.

All fees associated with graduation must be paid in full by the first Saturday in February whether the candidate receives the degree in person or in absentia. Graduation fees are non-refundable.

PAYMENT OF ACCOUNTS

All fees are due and payable upon registration. However, the administration realizes that this requirement could make a Bible – centered education, an impossibility for some sincere individuals. The following deferred payment plan has been developed to assist students whose financial position demonstrates need:

1. One-half (1/2) due at the time of registration
2. Balance due prior to the fourth week of classes

A five-day grace period will be allowed from the day the payment is due. Students whose payments are delinquent after the grace period will be assessed a late payment fee and are subject to immediate dismissal.

Scholarships or employer/church tuition assistance may be applied against the amount owed. However, credit is not given until the office of Business Affairs has received the funds.

Students who are receiving tuition assistance from a third party (employer, church, etc.) must bring an official statement from the source at the time of registration stating the level of assistance. It is the student's responsibility to see that payment is made by the due date.

Payment must be made for textbooks at the time of purchase unless prior arrangements are made through the Office of Business Affairs.

Remittances should be made by cash, check, credit card or money order. All checks should be made payable to Maple Springs Baptist Bible College and Seminary. All payments should be clearly marked as to their purpose and for whose account the money is intended.

TUITION REFUND POLICY

Any student who withdraws from courses or the College or Seminary **in writing** and whose withdrawal is officially approved, may receive a refund for **tuition and course related fees** as follows:

- 100% if dropped before the first week of classes
- 90% if withdrawal is before the end of the first week of classes
- 80% if withdrawal is before the end of the second week of classes
- 70% if withdrawal is before the end of the third week of classes
- 60% if withdrawal is before the end of the fourth week of classes
- 50% if withdrawal is before the end of the fifth week of classes
- 40% if withdrawal is before the end of the sixth week of classes

There are no refunds after the sixth (6th) week of classes.

RETURNED CHECKS

There is a fee for any check accepted by the College that is returned. Returned checks received for payment of registration fees, if not redeemed within ten (10) calendar days from the postmark date of the institution's letter of notification, may result in the administrative dismissal of the student who fails to redeem check.

No student may receive a degree, grades, or a transcript of record until all accounts are settled. The term "account" includes any indebtedness to the college.

COST ADJUSTMENTS

The Maple Springs Baptist Bible College & Seminary reserves the right to adjust tuition and other fees whenever it is deemed necessary.

ENDOWMENTS

To Friends, Family & Churches of our students, who seek the accomplishment of the mission of Maple Springs Baptist Bible College and Seminary in the thorough preparation of creative Christian service of Pastors, Missionaries, Church School Teachers, and Christian workers, please consider the options listed below.

Friends, Family & Churches of our students, who desire to strengthen the financial structure of MSBBC&S by gifts will find, doubtless, no better way to perpetuate one's life in the Gospel ministry than to set up a memorial fund. Here are opportunities for one's Christian service to continue even after death. We offer the following suggestions for the prayerful consideration of our interested friends:

A PROFESSORIAL ENDOWMENT whereby a fund would be established memorializing a name chosen by the donor, the interest of which would provide for professors' salaries.

A LIBRARY ENDOWMENT for the purchase of additional books for the MSBBC&S library.

A STUDENT AID ENDOWMENT for the support of worthy students who need financial assistance while attending the College.

A CHAPEL ENDOWMENT for the purchase of a chapel and equipment for the Maple Springs Baptist Bible College and Seminary.

A SCHOLARSHIP ENDOWMENT to provide a free course of study to outstanding students.
